

From the Principal's desk ...

Welcome to Term 2! It was lovely to see students return on Tuesday, ready for learning.

As we begin another term at UCS, I want to highlight the significance of nurturing respectful relationships within our school community. Encouraging our children to treat their peers, teachers, and staff with kindness and consideration is paramount. By instilling values of respect, empathy, and inclusivity, we create a supportive environment where everyone feels valued and safe. Let's work together to promote positive interactions and resolve conflicts peacefully, fostering a school culture where every individual's voice is heard and respected. Together, we can ensure that UCS remains a place where our children thrive academically and socially.

Starting the term with strong attendance is crucial for success. Regular attendance builds habits, enhances learning, and fosters a sense of responsibility. Let's prioritise attendance this term to ensure every student can thrive.

Thank you to the SRC and Mrs Protheroe for organising a fantastic Mother's Day stall today. There will be another opportunity for students to purchase gifts next Thursday.

Until next week,
Terrie Payne

SCHOOL HAPPENINGS

PBL

At the end of Term 1, Yr 5/6 enjoyed morning tea provided after Lincon Bryant won this prize on the PBL wheel. We missed the photo with the food but the students definitely enjoyed it!

Congratulations to Kate Jackson and Tahlia McKay on achieving their 'Hard Working Humbug' Award for 10 'Humbug High Fives'.

ATTENDANCE

Congratulations to Piper Gerhard and Caleb Protheroe on winning the Term 1 Attendance draw for 95% + attendance over the entire term.

MIA SENIOR SCHOOLS CUP

Late in Term 1, a number of our senior students, Ryan Kelly, Blake Dillon (TCS), Harry Roscarel, Patrick McClintock, Ethan Robb and Reuben West, pictured below, travelled to Griffith to join West Wyalong High School in a combined team to play in the MIA Senior Schools Cup.

Their first game was against Temora High. Even though the boys hadn't trained together before the game, they combined well and moved the ball around the field well to score a convincing win, 44 -1.

The second game was against Wade High, who were a far more formidable opponent. In a really tight contest, our boys lost by a solitary point! So close! The boys had a little break then regrouped to play against Marian Catholic College. They were a strong outfit, and in a tight contest, WW/Ungarie came out on top by a goal. Our final match of the day was against the powerful St Francis team, who were undefeated the whole day. Our players tried hard, but the dominant St Francis outfit had a bit too much class finishing on top by about 4 goals.

Our students really enjoyed the day, linking up with other players they don't normally play with.

Ungarie ANZAC Day Memorial Service

ANZAC Day

Memorial Service

Congratulations to Aliah Birks who received the annual 'Reg Rattey VC Award' presented at the Ungarie ANZAC Day Service. This award is presented to a UCS student who demonstrates resilience, the ability to rise amongst a situation of adversity, determination and courage. All of which are qualities that Reg Rattey portrayed during his life and his campaign at Bouganville. Thank you to Rob Rattey for his part in this presentation.

PSSA TENNIS

On the 9th of April, Ungarie hosted Wyalong Public in the first round of the Western PSSA tennis knockout. Our team consisted of Claudia Protheroe, Isla Rossiter, Thompson Rossiter, and Lincon Bryant (pictured left). The singles were played first, with Thompson being the only winner of singles for Ungarie with a resounding 6/0 scoreline. Lincon and Thompson won their boys doubles in style with a 6/3 score, with our girls losing their doubles match with the same scoreline. Lincon and Claudia came within a whisker of winning their mixed doubles, going down in a tiebreaker.

At the completion of all matches, Wyalong came out on top 6 sets (40 games) to Ungarie 2 sets (33 games). Well done everyone!

The Writers Toolbox

This year at Ungarie Central School we are using the Writers Toolbox - a comprehensive online writing platform that targets the basics of writing from sentence level to sophisticated paragraphing.

Students from Years 5-10 are encouraged to use the platform for homework by accessing 'The Learning Journey' units of work.

To access the lessons student are to go wtbox.com and log in using their school email and the password Ungarie

The Learning Journey has 10 different 'islands' covering a range of grammar, comprehension and writing activities. Content varies depending on the ability of the student and follows a logical sequence building on learned knowledge.

Upon consultation with the students, we have devised the following rewards for each island completed. Rewards will be handed out at Friday morning assemblies.

We look forward to students working through the learning journey and parents support in encouraging this initiative.

If you have any questions regarding the homework program, please feel free to contact me at school.
