Welcome back!!

Term 4 is upon us and what a term it plans to be! I hope you all had a fantastic break and had some quality rest and relaxation time!

There is no rest for the wicked, as Day 1, Term 4 we have our next phase of our Kindergarten Transition Program happening. Our 2016 Kindergarten group have been coming in small groups to continue to get a taste of what school life will look and feel like for them next year. It also gives the parents a feel for it too!

We also now see our Year 11 students begin their Year 12 studies, with Bev, Breanna and Sara all beginning their HSC year! I look forward to seeing the amazing efforts these ladies put into their learning and celebrating some fantastic results throughout the year!

Wednesday afternoon provided another opportunity for parents and carers to meet with their child's classroom teacher. I'm sure those who came, left well informed of their child's progress, successes and plans for the remainder of 2015. If you weren't able to come up and have a chat, please feel free to ring Carol or Sheree and arrange a time that suits you.

Health Care Plans – Important Information!

Health Care Plans are now **mandatory** for all students who have a diagnosed medical condition. If, according to our records, your child requires a Health Care Plan, you will receive a call for a polite reminder to complete a Health Care Plan for your child.

In most cases, a trip to the GP will be necessary to complete the plan. Please note that this is a legal requirement. This policy is state-wide in all government schools and is **designed to support the welfare of all students**. Your support will be appreciated.

See you all soon!
