## News this week...

I had a tremendous response after my request for **parent surveys**! Thank you very much! I have almost half of our parents now, who have submitted their thoughts and feelings to me. Your feedback and comments are a great source of information!

All staff have been spending some time over the last few weeks preparing their **Harvester** pages for this year's magazine. Mrs Mason is currently compiling the pages to have the finished product for sale at the end of the year.

**Intensive swimming** has almost finished its first week! All of our instructors have been doing a fantastic job and the kids love it! The senior students of each session are being put through their paces completing some additional fitness training too! Intensive Swimming will continue next week with the last day being on Friday the 4<sup>th</sup> of December.

## Upcoming events for next week:

Some of our Year 8 students will be off to Sydney with Miss Imrie to complete the Beyond the Gate excursion in Sydney with the crew from **UNSW's Aspire Program**.

We have a **Breakfast Club Quality Inspection** on Wednesday. It will still run as normal.

**Nicola Schneller**, our school counsellor will be visiting next **Friday**. If you would like your child to see Nicola, please contact either myself or the front office.

## Ungarie Bowling Club

Last weekend, the final of the 'A grade' singles was played with Tony Carr taking on Jeff deRozario. Jeff got off to a good start but Tony managed to peg him back and the next few ends were neck and neck with only a few shots difference. The closing ends saw Tony a few shots ahead and needed one shot for the win, but Jeff was not going to be outdone and picked up four shots and the game in the last end.

Well done gents, it was a good game played with the right spirit.

# Ungarie Quilters News

Our group meets every Sunday at the C.W.A Rooms. One day a month we do charity work, we have donated to various charities. As charity begins at home we have just delivered four quilts to four very deserving ladies of our community. We would like to thank Graham Culbert who has taken and donated photos for us to make a 2016 Calendar featuring local identities, thing's new & old, to help us raise funds to continue our rewarding work. See Ben or Rachel at the Central Hotel or a member of the Ungarie Quilters. At \$25.00 they'd make a perfect Christmas present. We would like to thank the general public who support us through raffle tickets at the Central Hotel. We wish you all a Merry Christmas and a safe & happy New Year.

International Day of People with Disability (IDPwD) is a United Nations sanctioned day that aims to promote an understanding of people with disability, encourage support for their dignity, rights and well-being. And celebrate the achievement and contribution of people with disability. IDPwD is an opportunity for the community to come together and reflect on barriers to accessibility and work towards making positive changes to the lives of 4 million Australians. Together, we can recognise and celebrate our achievements as a community, and continue our mission to break down barriers for people with disability and open doors for an inclusive society.
