

SYDNEY RECORDERS CLUSTER REHEARSAL

The Recorder team travelled to Borambola Sport and Rec Camp on Tuesday to take part in the cluster rehearsal in preparation for the Opera House concerts next term. We were joined by Seth McCubbin (who is attending the Strings camp there this week) who was a great help, filling in as the only treble recorder on the day. We worked on all three of our pieces, listened to the string players perform Can Can, had lunch with the campers in the dining room and dropped in at MacDonalds on the way home. Many thanks to Jason for driving the bus for us on the day!

Waiting for lunch: Tilly and Molly (top right) helped serve the camp food!

AUSTRALIA'S BIGGEST MORNING TEA - MAKING YOUR CUP COUNT-

Last Wednesday Ungarie Central School combined their annual book Fair with Australia's Biggest Morning Tea. Members of the SRC and Staff helpers served warm milos, scones + jam and cream to many students, while the year 12 Hospitality students made Espresso Coffees, Hot Chocolates and served fresh scones, jam and cream to our parent visitors and staff who all kindly made their CUP COUNT to support cancer research. The total amount of \$174.00 was raised on the day. We would like to thank the students, staff and community for their support and kind

donations to help Cancer Council raise vital funds for cancer research, prevention and support services.

All the Ungarie boys did us proud with their sportsmanship and great display of talent. They can take away some great mates and memories.
