News this week...

Well, NAPLAN is done and dusted for another year! Our Year 3, 5, 7 & 9 students completed all of their requirements and can now eagerly wait for their results.

NAPLAN NATIONAL ASSESSMENT PROGRAM
Literacy and Numeracy

If you would like to enquire at any time on your child's progress, please feel free to have a chat to our awesome staff. I know they will give you a great deal to celebrate as well as areas to give some encouragement!

This year, we are making our targets on attendance 'public'. Across NSW Public Schools, the target for attendance is 95%.

Here at Ungarie, we want 96%! Here's how we are travelling so far...

Class	Term 1	Term 2
K/1	96%	95%
2/3/4	95%	95%
5/6	92%	93%
7/8	91%	92%
9/10	83%	87%
11/12	86%	91%

Last week, Ruby participated in the PSSA Girls Basketball State Championships at the Illawarra Sports Stadium in Berkeley.

Western had a very strong team consisting of players from UCS, West Wyalong, Bathurst, Gilgandra, Wellington and Dubbo. They were beaten in their first two games by CIS and South Coast, but then won the next four against Riverina, Sydney South West, Sydney East and North Coast Regions. They have come 3rd in their pool and finished 5th overall. An awesome achievement Ruby!

One quick note... If you are coming to **pick up students early, or dropping them off late, please come through the front office.** Thank you!

See you all soon!

Yr 5/6 Netball School Cup

Last week the Year 5/6 students set out for Wagga to play in the Netball School Cup. I would like to congratulate all the students on their wonderful behaviour and team work. Our non-competitive team were undefeated on the day. Well done!

'The ANZAC Story' Live Show

Students are reminded to return their notes for the show in West Wyalong on Monday. It will be an exciting show, with lights and sound effects, and we don't want anyone to miss out!

Sydney Recorder Group

Students in the Sydney Recorder Group are continuing to spend time practising, both in class and in their own time. They will be attending a cluster rehearsal at Borambola on Tuesday 26th May. Notes went home today and must be returned by Monday 18th May. Congratulations to the Recorder Group for their performance at the Celebration of Music last week. Once again, their performance was amazing.

How2Learn

Critical Thinking

Secondary How2Learn Session – Critical Thinking

On Monday, Mrs Roscarel and Miss Imrie led a session on Critical Thinking for Years 7-10. Miss Imrie kicked off the session with some True or False questions, where students had to make a snap decision about whether they thought the answer was true (hands up) or false (hands down). It was interesting to watch students make these quick decisions, as many were basing their choices on whether other students had their hands up or down. Shaun Hoskinson proved to trust his own judgement, being the only person to have his hand up for the first question, not letting that fact faze him in the slightest – and it turned out he was correct! The aim of this activity was to get students thinking about what they are basing their decisions and judgements about things on – on their own beliefs, or that of others? Mrs Roscarel then took the group through some key questions that students need to ask themselves or of the information they are using when making decisions about things, in order to flex their critical thinking muscles. By using these types of critical questions, students will get deeper understanding of the topics they're looking into, and learn not to take information they're given at face value. The last activity was very interesting – Mrs Roscarel presented a series of multiple choice questions, and students were asked to move to a designated area of the room to indicate their answer, however they had to be able to justify their choice. Students were able to seek further information to help them make an informed decision this time around. The questions were tricky, and although it took a while, it was evident that by the last few questions, students were really beginning to analyse the questions, and not just jump into the first answer that popped into their heads after reading the question, or blindly following other students who may've known the right answer.

SHOWCASING

9/10 Photography

In Photography this semester the girls have been working on a 30 day photography challenge. It has involved them learning different photography techniques and taking photographs to demonstrate their knowledge and understanding of the technique. Below are examples of some of the fabulous photos they have produced and the technique they have studied. Well done girls!!

A Grade Bayleigh Reedy

Auskick News!

Last Saturday we went to Sydney and played at half time of the Giants and Hawks game. 9 kids from 8 to 10 years went and enjoyed the experience, they saw a great game of footy.

We played against Cootamundra and had great fun playing on the big ground in front of 13,000 people. Justice Crew were playing while we played. Harry Roscarel was selected as **Auskicker of the Week** and scored a Giants jumper, well done Harry.

This week we play Hillston at Hillston at 10 am hope to see you all there.

Cheers, Mark

Position Vacant

Ungarie Magpies Football &
Netball Club

We need a Secretary

To replace Sally.

Michelle is doing some of it but we need someone to do the rest. Please consider and think about this. Without a Secretary our club cannot function.

Enquiries to Michelle or Reece
