

ATHLETICS CARNIVAL Friday 19th June

Congratulations to everyone who competed on the day. There were numerous fiercely contested races, and many athletes showed great determination. Also, importantly, there was great sportsmanship displayed throughout the day with students celebrating both achievement and effort. Well done to all age champions and record breakers. Congratulations to **Kai Davies**, **Damian Batty** and **Colby Crofts** who have qualified to attend the Secondary Western Region Athletics Trials in Week 2 of Term 3 in Dubbo. Students will be informed as to who will be attending Lower Lachlan Athletics Carnival in Primary.

REWARD DAY

The UCS convoy (the school bus, Wason's bus and the double-decker Wagga bus) set off early on Tuesday morning for the Semester 1 Reward Day. The first stop was the Forum 6 Cinemas, with Minions and Jurassic World the two choices on the day. Lunch was at the Botanic Gardens, with everyone burning off their popcorn on the play equipment and checking out the mini zoo. Then it was time for the afternoon activities. K/1/2 visited Noah's Ark, Years 3-6 went to the Jump'n' Putt, and Secondary played Laser Tag. Students on the Wagga bus enjoyed more movies on the way home (and the on-board toilet also got a good workout) and arrived back at UCS at around 5.30, tired but happy. Thank you to Miss Imrie for organising a top day!

Above : Ellen Parkinson accompanied the excursion as part of the Community Service she is completing for her Degree at CSU Albury.
