News...

Last week, our Years 2 – 6 walked down to the Ungarie Bowling Club to present our project on Italy to our CWA ladies on their International Day. It was an outstanding success.

Mrs Terrie Payne and Mrs Mason accompanied the students and set-up for their presentation. The slideshow captivated the audience, as did our recorder group. Each student presented their project in booklet form to be selected to go onto Hume group for judging. Kadee's project was selected from many quality projects and Ella McRae and Hayley's posters will be going also. Impressive girls!

In other news

It is the first day back at school for those students who went to Sydney to play their recorders at the Opera House.

From all reports, the students had a fantastic time and played beautifully. A big thank you must go to Mrs Mason and Mrs Payne for their time and effort into making the excursion a success. I'm sure the parents had a great time too!

Tomorrow, our SRC are hosting a Jeans for Genes Day. It is to raise money for research into children's diseases. All staff and students are asked to wear denim and provide a gold coin donation to this fantastic cause.

Also, a gentle reminder to ensure all children are wearing correct uniform. I am aware it is getting colder, so can we please encourage children to wear our black uniform jumper. We have made fantastic progress with uniform and would like to see it continue!

See you soon!

Yesterday Year 2/3/4 boys braved the horrid weather conditions and travelled to Temora. They played 3 games of Rugby League. First game was against St Marys with the score 2 tries all. Second game was against Junee and third game against West Wyalong, Ungarie was defeated in both. Ashton Ross was the standout player of the day for Ungarie, scoring 11 tries in 3 games. Harry Roscarel tackled everything all day. In freezing cold conditions, the boys played their best.

Thank you to the parents for providing transport and support on the day.

Well done!

2/3/4 Super Food Heroes Program

UCS is a pilot school for this new health program, supported by the Red Cross.

The program runs for 5 weeks .

Notes will go home today with the details.

Each child in Year 2/3/4 will be issued with a challenge book to fill in. Activities will be done at home and at school.

Healthy Eating!

Congratulations Ryan

Well done to Ryan Crofts named as Senior Boy Champion at the LLPSSA Athletics Carnival in West Wyalong.

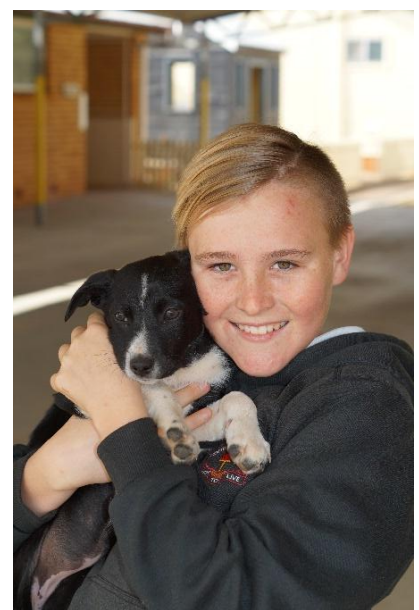

Yesterday we welcomed 3 new members to Ungarie Central School. Bella, Ash, and Turbo are Kelpie Cross Border Collie pups. They are 8 weeks old and have been adopted by three of our students.

Vanessa Robb owns Ash, Daniel Potter owns Turbo and Shaun Hoskinson is the owner of Bella. The students are involved in a Rural and Remote Area project where they will be learning how to train the puppies to be sheep dogs. The project is a joint project between Ungarie Central and Aria Park Central School.

Students will bring the puppies into school twice a week and have expert guidance from Justin Dunn from Aria Park who will show them the commands and how to apply them.

The aim of the program is to have the students learn the skills to be able to train puppies into properly trained working dogs. It is a skill the students will have for life.

At the end of the program the students will have the option to keep the puppies or sell them fully trained.

Lachlan Access Program (LAP) news

Ungarie Central School students are involved in the Lachlan Access Program. This program delivers the full suite of HSC and Preliminary Courses across five sites including Condobolin High, Tullibigeal, Lake Cargelligo, Quandialla and Ungarie Central Schools.

Already in 2015, students have been involved in a number of excursions and study days, including HSC Study Days in Dubbo, field trips to Mana Mountain and Lake Cowal, practical science experiments and PDHPE workshops.

There are a number of upcoming important events for LAP students in Term 3. The HSC Trial Exams begin on the 10th August and continue through until the 21st August with final Year 11 exams being held in the week of the 7th September.

LAP will also be holding its annual Year 12 Graduation Celebration in Tullibigeal this year on Thursday the 3rd September with all Year 12 students, staff and families invited to attend.

Again in 2015 LAP is funding the Crossroads excursion for all Year 10 students across the schools to attend Lake Burrendong Sport and Rec Centre during Term 4.

In other news we are about to implement a full technology upgrade across the program. Following on from a state grant every access room in all of our schools will receive, a state of the art makeover including new interactive technologies, new computers and furniture. Work is expected to commence in the coming weeks.

UCS/LAP student, Bridie McCubbin

EXPRESSION OF INTEREST

Seeking Volunteers

The P&C need your help! We have been fortunate to receive a fundraising opportunity, which would enable the secondary students studying hospitality to put their skills into action. To allow these students to complete this through waitressing and serving at a formal occasion, we are seeking volunteers to help out on Sunday 4th October 2015 in the afternoon/night.

If you are interested and want more details, please contact Karen Rossiter 69726285 by Wednesday 12th August.
