News...

This week our delightful Year 12 girls have begun their HSC Trial Exams. I know this experience has opened their eyes up. It'll be head down, rump up for the remainder of Term 3 I'd suggest!

This week we welcome Mr Craig Redfern to our school. Craig's visit to Ungarie is part of the Rural and Remote Leadership Development Program. He is Principal of Unanderra Public School, a large school in Wollongong, with over 400 students and 30 staff. I look forward to sharing best practice at Ungarie Central School with him over the next few days.

Today, Mrs Payne and I will be travelling to Griffith to present a session to other Griffith Network Principals. Our session is on our Performance and Development Framework. We have a great deal to share on the improvement of our school and increase in student learning we have seen.

Next week will see some of our secondary students experience a 'Taste of TAFE'. This program gives students in Years 9 and 10 the chance to experience vocational training opportunities in specialised facilities. Exploring career and training pathways for our Year 9/10 students is one of our many priorities!

Today is our first day of our sheep dog training! Mr Justin Dunn is coming over from Arianah Park to put Vanessa, Shaun and Daniel through their paces with their new working pups! I can't wait to see how they go!

See you soon!
