News...

It is awesome to be back at UCS! I've been out of the place for the beginning of the week on Principal business and participated in some really high quality professional learning. In saying all that, I would much rather be in front of my year 7/8's calculating speed, distance, rates and ratios! I am looking forward to getting back in there tomorrow!

Both today and tomorrow we are having a new phone system installed. This is a much needed upgrade to our school and well overdue. Our phone lines may be disconnected for short periods, but all in all, shouldn't cause too much disruption. Thank you in advance for your understanding!

What will cause a little disruption is the installation of our ICT upgrade. This will make our network perform faster and be much more effective. I would love to be able to give you the technical terms for what's happening, but at the end of the day, faster and more effective is the extent of my vocabulary in the matter!

Next week our Kindergarten and Year 1 students are off to West Wyalong to participate in the Bland Shire Library Book Week excursion. I'm sure Mrs Parkinson and our K/1's will have a cracking time!

On that same day, Nadine from the Red Cross will be coming in to complete some Food Literacy Workshops with our Secondary students. Healthy snacks, nutritious drinks and other cooking skills will be covered in the hour sessions across our 7/8's, 9/10's, 11 and Year 12 students.

See you all soon!

Education

Year 5 Leaders

Today our Year 5 Leadership group has Sally
Russell from LCCC visiting. Sally will be helping the
group work on their school environment project.
Ella, Tess, Georgia, Abby, Jye and Jack have come
up with some fantastic ideas to improve the school
environment and we look forward to seeing their
work.

A Quick Bite ...

I Can Eat a Rainbow

Eating a rainbow of fruit and vegetables links the
colours of the rainbow to the many different coloured
fruits and vegetables. There are lots of health benefits
when a child eats a rainbow as this provides a wide variety
of essential vitamins, minerals, fibre and antioxidants to
their diet.

Get your child to help
list some fruit and
vegies of each colour.
We've listed a few to
get you started!

Red: cherries, red
capsicum

Yellow: sweetcorn,
starfruit

Orange: sweet potato, apricot

Green: avocado, snow peas

Blue/Purple: purple cabbage, figs

Brown/White: mushrooms, lychee

What others can you include on your menu this week?

HAPPY HOUR

Thursday night 6-7pm

Friday night 7-8pm

Breakfast every Sunday morning
8am- 9.30am

**The Bowlo is the place to be
Friday nights with meat draws and
good meals from 6-8pm.**

The kitchen renovations are in full swing. The work was started last Saturday with a lot of help from the men and ladies. The 'new' kitchen should be ready fairly soon with the new floor coverings being laid on Wednesday. The shelving, wash basins etc will be put in as soon as possible.

This Friday 21st will be a BBQ tea. Normal kitchen will not be operating. Sorry for any inconveniences.

One game of Pairs was played with Murray Whiley and Quenton Evans taking on Graham Cattle and John Truscott. In a well played match, the eventual winners were Murray and Quenton.

In one game of the club A Grade Singles, Ben Wallace was up against Tony Carr. From all reports this was a very close game with Tony making it on to the next round. Well played boys!

Requesting all bowlers who have not played their club games, to play ASAP or risk 'play or forfeit'.

TONIGHT

**Ungarie Show Society
Extra-ordinary Meeting**
