Who is this famous opera singer? What plans are the Show Committee hatching (left)? What on earth has upset the CWA ladies (below)???

Come to the Memorial Hall next Thursday evening and you may (or may not) find the answers to these questions, but you are sure to be entertained as students from K-12 bring you their play "The Show Must Go On!" This will be followed by a short interval and Dance and Band Items. Don't miss out!!!

MAKING CUPCAKES COUNT AT UNGARIE CENTRAL SCHOOL with Mrs Noble

Wow ! What a great day was had by all in the Year 5/6 cooking class today as they busily mixed, baked, decorated and presented many, many bright and beautifully decorated cupcakes to sell to students and staff during lunch to raise greatly needed funds to find a cure for childhood cancer.

The students develop many valuable qualities and skills when they willingly participate in days such as this. Last week they organised posters and planned all the items needed for the day and today they all worked enthusiastically as a team to produce enough beautiful cupcakes to sell to everyone, raising \$114.50!

Merit Certificates for Week 8

Staff and students gathered at the beginning of recess on Monday to raise awareness about the rare disease Duchenne Muscular Dystrophy. Many thanks to Vanessa Williams (left with Bridie McCubbin and Kayla Bennett) for cooking the 100+ pattycakes for everyone to enjoy!
