News...

What a way to finish the term! We've had preparations for performance night, morning teas, initial Kindergarten Transition Days, Reward Day and some very excited Beyond the Line students coming for a visit!

Performance night is coming together at a rapid pace! Mrs Mason would make a fierce traffic conductor! I have no doubt it will culminate into a fantastic performance and I'm looking forward to seeing the end product. Final rehearsals and finishing touches occurred this morning – it's going to be some kind of show!

Some staff had their aprons on, some headed to the IGA and some the café to provide an absolutely sensational morning tea for our Habit of Mind award winners this term. We had 45 students in total who had received 10 or up to 20 awards! It was awesome for everyone to come together for recess and celebrate an incredible term of learning.

Mrs Parkinson has been loving every minute of our first transition meetings with our 2016 Kindergarten students and their parents. The information that can be gathered in such a small window of time and with some informal activities has proven to be priceless! I look forward to seeing them for their first school visit next term. Exciting times!

Miss Imrie has been like a lizard drinking coordinating our Reward Day for Term 3. All students have been informed of their team or role they will be performing on the day. Don't forget your team's colours!!

Also, we say goodbye to our 2 Beyond the Line students this week as the poor things have to head back to Sydney! I know both Miss Dooner and Miss Gonzalez have had an experience they won't forget and would love to come back! All the very best girls!

See you soon!

The day was represented by every club in the Southern Slopes, including two teams from Condobolin and one team from Griffith.

The Ungarie team finished the day with three wins from three games and were runners-up to Aria Park who also had three wins but a slightly better aggregate. Well done boys!

A very busy breakfast was held last Sunday with over ninety people attending – mainly people from the reunion held last weekend.

Thanks to all those who helped in the kitchen, making the morning a very successful one.
