Week 7...where has the term gone?

Our 'Learn to Swim' program is running smoothly thanks to Mrs Stokes and her dedicated team of swimming teachers. The water has been at a good temperature and we would all probably like to be in it.

Our Reward Day in Wagga is on Tuesday the 13th December (not Thursday as indicated in the excursion note that went home earlier in the week). We will need all the waiver forms for Jump'n'Putt from those students in Kindergarten to Year 4. If a student does not have a signed waiver form they will not be able to participate.

Year 10 are currently on the 'Crossroads' and LAP Induction Camp excursion at Lake Burrendong Sport and Recreation Centre with Mr Dodhy. This is a chance for those students going into the LAP program next year to meet and get to know their teachers and fellow students from other LAP schools. It is always a great experience.

Mr Cattle took his Secondary cricket team to Barellan to play the next round of the Central School's Knockout at Barellan. The boys played against Coleambally but unfortunately after a good bowling effort and Angus taking four wickets, they were defeated. Great effort by all.

Year 6 students received their graduation shirts yesterday. Below they can be seen proudly showing off their shirts.

Thank you to Mrs Emma McRae for organising these for the students.

Kinder Transition has finished this week. It was lovely to see the new students coming to visit. We hope the students had a fantastic time and we look forward to them being with us next year.

YEAR 5 ENVIRO LEADERS

The Year 5 Enviro Champs recently travelled to Yenda along with students from surrounding schools, to present our environmental project.

Firstly, we met Sally Duncan and students from Griffith, Narranderra, Wyalong, Ardlethan and Yenda. After some presentations we made our own pot using newspaper and planted various seeds such as peas, marigolds and sunflowers. We can't wait to see how they grow.

After a quick recess, we watched some more presentations. Then it was our turn. We were a bit nervous and excited. Everyone seemed to enjoy our movie, which was good. Afterwards, we went outside and went on a nature walk. We made insects out of the objects we found.

Sally taught us how to make huge bubbles using, water, cornflour, baking powder, bicarb soda, glycerine and dish washing liquid. Boy, did we make some bubbles! It was awesome.

We finished the day off with a sausage sizzle and a big, fat ice-cream topped with milo and sprinkles. Yum! Sally also gave everyone free gifts which was nice of her. Thank you Sal.

A big thank you to Mrs. Wallace and Mrs. Wilson for taking us. We had a ball.
