Well, the Ungarie Central School Swimming Carnival has been swum and won for another year. Congratulations to Wilga for a dominating performance in the pool. Also, I was very proud of all students who participated in every race in their age group. It is a massive day and to all of you who competed, well done!

One thing I am always impressed by is our secondary students jumping in and supporting our infants. They are fantastic role models and the younger students adore them. I had many parents mention to me how fantastic it was to see the 'big kids' in with the little ones. Just awesome!

Students who performed exceptionally well at our school carnival, should have received their note to go on to the Lower Lachlan Carnival to be held in Lake Cargelligo. If you have any questions about this, Mrs Roscarel is the one to see!

Counsellor Visit:

Miss Nicola Schneller will return as our school counsellor in 2016. The dates she will be attending UCS are:

Week 4 – 18th February

Week 6 – 3rd March

Week 8 – 17th March

If you would like your child to use this service, please see either the ladies at the front office or come in and have a chat to me. We require parental permission for the counsellor to see primary students. Secondary students can see the counsellor at any time.

Habit of Mind Awards will again be handed out on Friday morning assemblies. I look forward to our first set of presentations tomorrow morning.

See you all soon!

Primary News

Sport

What a fantastic roll up we had for the Swimming Carnival last week. It was wonderful to see so many students diving in and having a go. A **huge** thank you to our Secondary students who jumped in to help our K-2 students.

Next Wednesday 17th February a number of our Year 2-6 students will be competing at the LLPSSA Swimming Carnival. Notes must be returned by Monday.

Years 3-6 will be swimming for sport on Thursdays this term. Please ensure your child has their swimmers each week and \$1.90 for pool entry if they do not have a season ticket.

K-6 Requirements

Primary teachers have requested that all students in K-6 bring in a paint smock. This could be an old shirt, something that will protect their clothing from paint.

Year 5/6 Music

Year 5/6 will start Music with Mrs Roscarel tomorrow. If Year 6 have an instrument at home from last year they will need to bring it every Friday. They will also need an A4 display folder to keep their music in.

Mrs Payne's English Group Homework

Mrs Payne's English Group are reading a text called 'A Monster Calls'. They have some reading to complete over the weekend. Please ensure your child does this ready for Monday.

Until next week!

Happy Birthday to:

P&C Uniform News

(Contact person – Karen Rossiter)

Welcome back everyone – it's great to see all the students looking very smart in their uniforms!

Many thanks for your support, patience and understanding for the new orders to finally arrive – there were a few hiccups but it all worked out in the end!

There are plenty of shirts, hats and jumpers in stock so let me know if you still need something.

There will be a winter order form going out in the next few weeks so start thinking about what you need as the weather changes.

Don't know what to do with those old uniforms that still have life in them but no longer needed? Feel free to advertise them on the facebook page to make some money or donate them and I will find a worthy home for them!

Keep up to date with all the uniform news on the 'Ungarie Central P&C' facebook page.

Ungarie Bowling Club

In the last couple of weeks, some of the club matches have been played. In the Triples, Colin Taylor, Tony Bryant and Ben Wallace took on Pat Turner, Mick Fiedler and Jeff deRozario. In a well fought out game, Ben's team were the eventual winners and progressed to the next round. In a game of the Club Pairs, Murray Whiley and Quenton Evans were successful over Ben Wallace and Kody Whiley, again, in a well contested game. In the final of the Club Singles, Tony Carr was victorious over Jayden Erwin. Well played boys!

The Pennant Season of the men's bowls commences on the weekend of 21st Feb. Make sure your name is on the board to assist the selection of the team. Please do so ASAP. The first round is away, at Weethalle.

UNIVERSITY DISCOVERY DAYS

A TASTE OF THE 'REAL WORLD' Term 1 Week 2

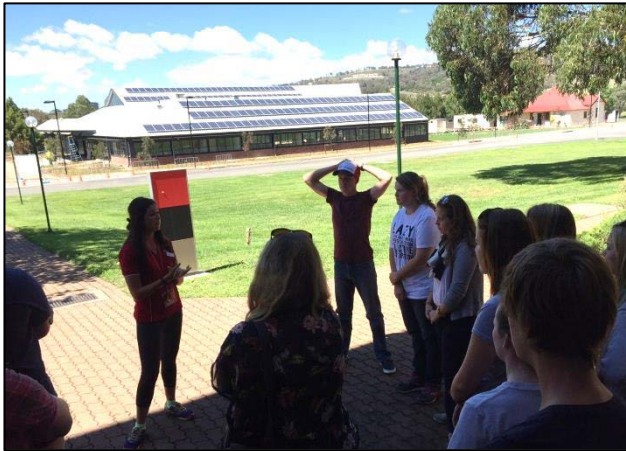

On Tuesday February 2nd we (Beverley and Sara) embarked on a trip to Wollongong to take part in the University of Wollongong's Discovery Days, accompanied by Mr Dodhy and fellow students and teachers from Condobolin High School, Lake Cargelligo Central School and Tullibigeal Central School. These days are all about showing students what to expect from University and to help them decide if it is a path they really want to take. On our way to Wollongong we stopped off at Charles Sturt University (Bathurst) and were given a very thorough tour around the campus, focusing on the accommodation. It was interesting to see the different types of accommodation and what we might like and not like to experience when the time comes. After being provided with a lovely lunch we were back on the bus and headed for Wollongong. We arrived at Campus East Fairy Meadow just in time to have some dinner before being given a tour of International House by a Condobolin ex-pupil, Nathaniel. He was able to give us very good insight into life as a Uni student which will no doubt prove very helpful. On Wednesday morning we were up bright and early to begin our Discovery Day! We registered in the hall and were each given a timetable for our day. We had four lectures to attend in various halls around the Campus, not getting lost proved quite a challenge but we managed fairly well. After our busy day of lectures and lots of walking, we were rewarded with a trip to the beach to put our feet on the sand and a very nice dinner. Thursday was full of action and adventure as we spent the day shopping in Wollongong before driving to Sydney and spending the afternoon at 'WetnWild'. We had dinner in Parramatta before a very sleepy drive home. After an exciting start to Friday morning we spent the rest of the day travelling home. Overall it was a very fun and enjoyable trip, that really opened our eyes to one option once we finish school. It has widened our experiences and we now know that we have a lot of choices to make, however we are looking forward to all the possibilities we have in store. We enjoyed spending time with our fellow LAP students and teachers and would definitely recommend this trip to others in the next few years. Thank you to Mr Dodhy for being our chauffeur for the week.
