P&C UPDATE

23rd February 2016

Business Arising

- **Chilled water bubbler grant** – The GrainCorp grant we submitted last year was successful. The bubbler was installed immediately at the end of the year. We will be receiving a GrainCorp sticker to place on the bubbler.
- **Donation of water bubbler cover** - A Thank you card and gift will be given to Kaye Wales for this kind donation.
- **Christmas guessing competition follow up** – the Christmas guessing competition was a great success and a profit of \$50 was made.

New Business

- **RFS Catering Cart** – P&C are no longer needed for this service as the community have taken this role on and is working well.
- **Mother's day stall** – Will be organised for May.
- **Easter Raffle** – Tickets will be sent home to sell for the Easter raffle that will be held at the Easter hat parade. We are asking for Donations to be made for Chocolates as the prizes.
- **Easter Hat Parade** – Will be held on Thursday 24th March at Ungarie Central School.
- **Nitbuster's day** – Note to be found and sent home for checks each term.
- **Fundraising ideas** - To be discussed more at future meetings.
- **Minutes in Newsletter** – Minutes will go into the newsletter as a summary in the weeks following the Meeting. Moved by Karen Rossiter and seconded by Terese Ridley.

Next Meeting

AGM will be held on Tuesday 15th March at 2:00pm in the School Library.

Please find attached, UCS envelopes.
These are to be used when sending money to school with students.

Ungarie Bowling Club

Last Sunday, the second round of the Men's Pennant was played at home. In a very hard fought game, the Ungarie boys gave it their best with the Barmedman boys claiming the overall points. Two of the local teams had a win, with one rink getting beaten. The Ungarie boys went down by two shots overall. Well played gents!

This week is a 'bye' with the next round being played on Sunday 13th away at Ardlethan.

The BIG day is on this Saturday 5th March-
BRAD CONNELLAN BENEFIT DAY

We would like to see as many people as possible support this day. Starting time is 5pm with ten ends of bowls. Teams can be mixed, men or ladies of triples. Cost is \$10 per head which includes your BBQ tea after the game.

Lots of raffles, auctions and more with **We, Us and Them** playing for your listening pleasure and support band **Banned from the Pub** and guest artists **Leticia and Jess Payne**.

If anyone can assist with setting up on Saturday, please give Tony Carr a call on 0403 341041

Also if you can help out making a salad, could you please contact Kylie Ward 69 759164

Congratulations Sammy

Samantha Rutledge recently won Champion Girl Rider, under 13 years at the Canberra Royal Show. This was made up of 3 individual age groups, under 9, 9 - 11 years, and 11 - 13 years. Each class had around 25 riders in it. The event happened to be sponsored by her coach Les Friend, in which she received a beautiful wool rug for the horse!!

This win qualifies Sammy for Grand Nationals in 2017.

Year 5/6 are trying to get more involved in the community as part of their 'Project Based Learning'. On Wednesday 24th February we decided to help with cleaning the Ungarie Memorial Hall to prepare it for painting. Jason drove us to the hall in the school bus and straight away we started scrubbing. In just an hour we got lots of the walls sparkling clean. It was really hot and we finished with a spray from the hose to cool down. Written by: Georgia Wilson and Audrey Hukins.

The above comments were made on the UCS facebook page in relation to a post and photo of this community activity. Well done Yr 5/6, it was definitely a case of 'many hands make light work'!

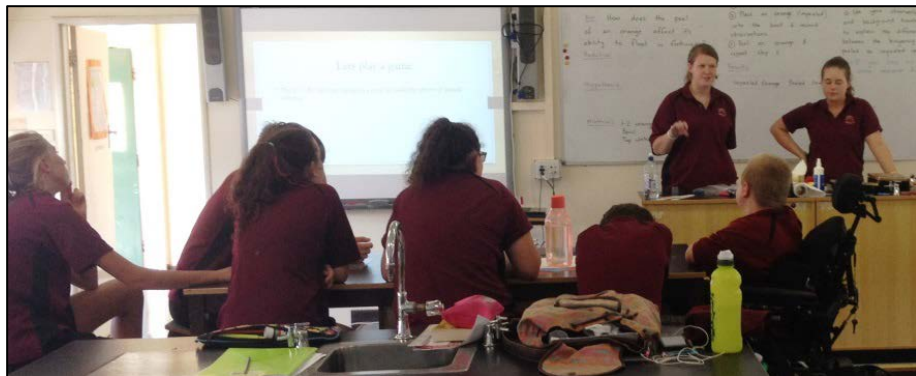

Hugh Williams, Ashton Ross and Darcy Langham.

A hose down to cool off at the end of the cleaning. It was a 40o day!

As one of their Yr 12 Biology Assessment tasks Bev Clarke and Sara O'Connor had to create a model of the natural selection process. This model will then be presented to the rest of the students in their LAP class. As a trial for this presentation they 'had a practice run' with Yr 7/8 Science.

The model illustrated reproduction and changes in the environment and how these impacted upon the studied population eg: lizards.

Yr 9/10 boys checking out the holograms made from youtube videos on an iPad.

Prac teacher Tara Burns trialling her Science practical lesson on holograms before completing it with students in class. This was an amazing practical lesson and definitely worth talking to Yr 9/10 students about. It is something that you could try at home also, just google 'making a hologram with your smartphone or iPad'.
