Web: www.ungarie-c.schools.nsw.edu.au

News this week:

Last week we had Daniel and Shaun head across to Arian Park and participate in an **Advanced Sheep Handling** course. This was one of our Project Based Learning opportunities provided to our 2015 Year 9 and 10 group. The boys' sheepdogs were put through their paces and learnt a great deal over the 3 days. Well done boys!

Our Facebook page has proven to be incredibly popular. Our most recent stories:

- **Healthy Harold's** visit for our Kindergarten to Year 6 students
- News and information about our students who represented Lower Lachlan at the Western Region trials in Dubbo.
- Massive congratulations to **Hugh and Angus Williams** who have qualified for NSWPSA and NSWCHS carnivals in the 10 years 50m freestyle and 50m breaststroke and 14 years 100m butterfly! Awesome effort!
- Our weekly **Habit of Mind Award** winners.
- Congratulations to **Tess & Ella** on their selection in the Western PSSA Basketball team!

Our **Year 7** students were all smiles on Monday after their **Immunisations**. The nervous energy in the foyer, soon turned to other emotions when their name was called, but all survived to live another day! Thanks Jackie and Kerry for popping in!

Mrs Cooper has been very busy completing some professional learning around the development of **Career Pathways**. This knowledge is going to prove incredibly useful for all students in developing their own vision of post school life!

Well done to our **PSSA AFL Knockout** team who played in West Wyalong yesterday! You gave them hell! More details in the 'school news' section.

Like our page to keep up to date!!

Education

See you soon!

2/3/4's Super Student of the Week

Noah Bryant

Secondary reminders.....

Yr 7/8 English - Assessment Task 1

Due: Friday Week 8 (Mar 18th) Students' written assignments to be handed in. Oral presentation will be presented in class Wk 9.

Yr 9/10 Science - Fiction Assessment Task 1

Due: Friday Week 10 (Apr 1st)

Yesterday, Ungarie competed (with the assistance of 4 Tulli boys) in the PSSA AFL knockout at West Wyalong. The boys had to play West Wyalong first, and displaying great teamwork and skills, won that game 53-26. Ungarie had to back up after this game straight away, playing Lake Cargelligo. If they were good against West Wyalong, against Lake they were outstanding! The boys dominated the Lake Cargelligo outfit, showing superior skills and enthusiasm in the heat. Ungarie/Tulli won this game 40-8.

The side will travel to Parkes on April 1st to play the winners of the Eastern Division of western Area.

Well done boys!

Primary News

Super Spellers

K/1

Maicey Ross

Year 2/3/4

Lara Bryant, Rachel Ridley, Caitlin Rossiter, Madi Vinecombe, Hannah Wilson, Zoe McRae, Patrick McClintock, Jayda Brew, Harry Roscarel, Reuben West, Adelaide Langham, Josh Batty, Mitchell Collins, Alfred McCubbin, Kate Jackson, Noah Bryant, Ethan Robb, Allora Vinecombe, Dakota Williams

Year 5/6

Sammy Rutledge, Apryl Lyons, Alex Batty, Tylecia Stear, Trinity Stear

Sport

What a fantastic week in sport we have had! We have four students from UCS who have qualified to represent Western SSA at state carnivals this year. Congratulations Angus Williams, Hugh Williams (swimming), Tess Henley and Ella McRae (basketball). What a great achievement for our school!

Yesterday our Primary Boys AFL team combined with Tullibigal to win the first Western divisional day and will now compete at the second day in Parkes on the 1st April. Great effort boys!

Year 5 Leadership Group

Year 5 students who are interested in being part of the Year 5 Leadership Group will be presenting their speeches to Mrs Wilson next Wednesday 16th March. Please come prepared and ready.

Clean Up Australia Day

Tomorrow we will be taking part in Clean Up Australia Day around the school. Can students please bring in gloves and a plastic bag to use. Latex gloves will be supplied if they do not have any.

P&C Easter Fundraiser

P&C are holding the annual EASTER RAFFLE which will be drawn on Thursday 24th March at the Easter Hat Parade. Donations of Easter eggs or gift vouchers towards the raffle would be greatly appreciated or if you would like to donate money to go towards the purchase of prizes for the raffle, please phone or text Michelle on 0429 726242.

All donations can be left at the front office. Raffle tickets are attached to this newsletter.

Support of our P&C fundraiser would be greatly appreciated.

Next P&C Meeting is our AGM and will be held on Tuesday March 15th at 2:00pm in the School Library. All positions declared as vacant; President, Vice President, Treasurer, Secretary, Grounds Committee, Canteen Manager and Auditor.

Ungarie Bowling Club

What a fantastic day last Saturday. The long awaited **Brad Connellan Benefit Day** came to a close. The day was a perfect finish to a terrific effort by many people in the last few weeks. Sheep sales, raffles, auctions and other fund raising made this event a massive success. The current (unofficial) figure stands at \$59,000. It was great to see Brad, his wife and daughters, Shelby and Izzy attend with a host of relatives. A very BIG THANK YOU to everyone who attended- in excess of 300 people who travelled from far and wide for this very special event by supporting the raffles, auctions and fund raising. Special thanks to the people who helped on the day with setting up, providing salads and other foods, the bar staff, the bands and anyone else who contributed to the success of the day.

This Sunday 13th, the Ungarie boys travel to Ardlethan to play in the next round of Pennants, leaving the club at 11.30am

Lead: B Daly	Second: R Hall	Third: K Whiley	Skip: M Whiley
Lead: J deRozario	Second: L Pearson	Third: M Apps	Skip: B Wallace
Lead: P Turner	Second: P Roscarel	Third: J Barron	Skip: T Bryant

Good luck gents!

TUESDAYS ONLY on 0428 720 788.

'HABIT OF MIND' AND SPORT AWARD RECIPIENTS FOR WEEK 6

SCHOOL HAPPENINGS

Madison Vinecombe and Healthy Harold during the visit from the Life Education Van.

On Wednesday 2nd March Vaneessa Robb and Emily Bussenschutt travelled with Mrs Jackson and Miss Burns to the Lake Cowal Conservation Centre to participate in a field study for their first assessment task. After an adventurous start to the day, thanks to Mrs Jackson's lack of direction, students settled in to listen to Sally from LCCC and collect data and observations of the Sandy Creek ecosystem. The day was blistering hot but everyone coped fairly well. Thanks to Sally for another interesting trip.

Jye Hoskinson and Noah Bryant in action at the AFL Knockout in West Wyalong, more photos next week.

WESTERN REGION PSSA & CHS SWIMMING TRIALS

Angus Williams competed at the Western Region CHS Swimming Trials in Dubbo on Thursday 3rd March. He was successful in qualifying for the 14 Yrs 100 Butterfly at the NSW CHS Swimming Carnival to be held in Sydney in April.

Kate Jackson in action at the carnival.

Hannah Wilson, Kate Jackson, Tess Henley, Hugh Williams, Lara Bryant and Ashton Ross at Western Region PSSA Swimming Trials in Dubbo on Friday 4th March.

Congratulations to Hugh for qualifying in 10 yrs 50m Freestyle and Junior Primary (8-10 yrs) 50m Breatstroke.

WESTERN REGION PSSA BASKETBALL TRIALS

Tess Henley, Ella McRae, Hayley Wallace, Georgia Wilson and Ashton Ross

Left: Ready for action on the court.

Western Region PSSA Basketball trials were held on Thursday 3rd March in Cowra. The five Ungarie students participating played solidly all day and are to be praised for their consistent effort and skills demonstrated especially in the excessive heat. Congratulations to Tess Henley and Ella McRae who were successful in gaining selection to the Western Region team to compete in the state carnival in Tamworth later in the year. A big thank you to the Ungarie Basketball Association and Justine Henley for organising the donation of the new singlets to UCS. The students look very professional in them.

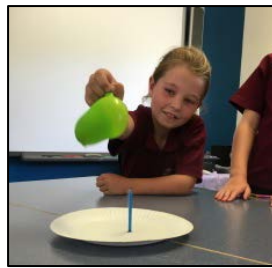

Right: Ella McRae and Tess Henley

YEAR 2/3/4 SCIENCE

Yr 2/3/4 blowing up balloons to conduct their heat experiment.

Year 2/3/4 conducted a heat experiment. Holding a balloon over a candle with only air inside the balloon they timed how long it took for the balloon to burst. The result was 3 seconds.

They then held a balloon filled with water over the candle. After 1 minute over the flame the balloon was still inflated.

The conclusion to this experiment is that water prevented the heat from spreading through the balloon and making the rubber of the balloon burst.

They had lots of fun blowing up balloons to try this experiment.

Left: Caitlin Rossiter holding the balloon filled only with air to conduct the experiment.

KINDER & YEAR 1 HISTORY

For History, K/1 are presently engaged in the unit, 'The Past in the Present'. On Monday we stepped back in time to look at objects from the past. Students loved looking at the objects and were particularly fascinated by the meat safe. How things have changed! A big thank you to Mrs Lorna Wilson for allowing us to look at some very interesting items.

Back: Olivia Rossiter, Maicey Ross, Aliah Birks, Jett Woodward, Tyler Crofts, Tahlia McKay, Eva McCubbin, Alex Jackson
Front: Samuel Wilson, Caylen McKay, Shay-Lee Crofts, Dustin Bryant, Gus Wallace, Nicholas Batty, Ella Burley, Mia Carroll, Courtney McKay, Clancy Hoskinson.

Left: Shay-Lee Crofts, Jett Woodward, Tyler Crofts and Dustin Bryant.

Right: Olivia Rossiter, Courtney McKay, Caylen McKay, Samuel Wilson and Maicey Ross.

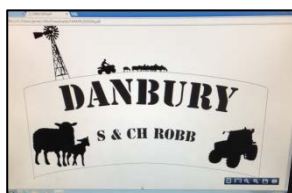

YEAR 9/10 DESIGN AND TECHNOLOGY

Individual progress reports from Year 9/10 students for their sign projects they are completing with Mrs Noble in D&T.

Mikell Quarman: I have had a few meetings with Mrs Cooper and I have put the design together and I'm just waiting on confirmation that it's ok and then we can work out how it's going to be cut out and how it will be placed on her farm.

JACK WASON: I've drawn my sign digitally on Adobe Illustrator for Mrs Annabelle Brown. I have also contacted her through e-mail and on the phone. Now I'm up to the point where I have to send the CAD file to a couple of commercial businesses to get quotes for computer plasma cutting.

JARED ROBB: So far in D & T I have had a meeting to discuss the specifications of the property sign I am making for Scott and Colleen Robb. After the meeting I commenced a full scale drawing of the sign until they decided they wanted it bigger. This adjustment to the design and their suggestion to have it made using a water jet cutter to achieve a smoother finish, didn't matter because as it turns out I have to now design it on the computer in order to use the water jet cutter at Midwest Conveyor Belting in Griffith.

Jared Robb

Shaun Hoskinson: For my project I have sat down with my client and worked on a design and drawn up a full scale drawing ready for approval by my client. Then I will be measuring, ordering and cutting sheet metal and starting to practice cutting out shapes and lettering with a manual plasma cutter

Hi my name is **Daniel Potter** and I have been talking to Neil Potter about my Sign Project. I have shown him my design and he liked it. He has made some adjustments and I like them too. With our designs together I am ready to have a go at this sign making project. I like the design and I'm waiting for our metal to come and then I'm heads down, thumbs up.

Daniel Potter

Mikell Quarman and Mrs Noble

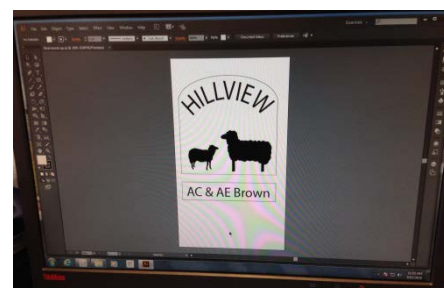

KAI DAVIES: In Year 9/10 D&T we have been making farm signs. I am making my farm sign for Jason Lewis, who works at the school as a general assistant (GA). We have consulted and came up with a design that works with both of us. Jason donated his own materials to the sign, and I will be cutting it out with a plasma cutter that the school is borrowing from Simon Hale. I will be making it out of rusty materials to give it a fancy look. I will be using, corrugated iron, old horseshoes and some silhouettes of a cow and a sheep.

Kai Davies
Shaun Hoskinson

DEAN OTOVIC: I recently met with a new client to develop designs and specifications for their farm sign. I have started planning the design and my client has asked for rusted corrugated iron as the material to be used for the final sign.

Jack Wason

End of Pool Season

Come join in the fun!
Saturday the 12th of March.
Starting at midday
