News from this week:

Last week I spoke about the many opportunities our students receive. Well, this last week has been no different.

Shaun, David, Mikell and Colby were **shearing up a storm** this week. For 4 days, the boys learnt incredibly valuable and employable skills! Outstanding work gentleman! I have received nothing but extremely positive feedback from all involved.

Miss Imrie and Mrs James put hours of preparation into designing an awesome **Reward Day** for our students. The Amazing Race was definitely the highlight of the day and gave our secondary students leadership opportunities within their groups. A very successful day! Check out our photos in the Student News!

In sporting news:

We had our **cricketers** travel over to Lake Cargelligo and give them a lesson! There is definitely room for improvement with our boys in the bowling department, but a win's a win! Next up, Bourke! Crikey! Good luck boys!

Our two Williams boys, Angus and Hugh, went off to the State Carnival for **swimming** this week in Homebush. What an incredible experience that would have been. I'm sure the boys competed to their absolute best. They both train the house down and I am sure they would've impressed themselves and their family. Well done!

Our **footballers** also competed strongly. Unfortunately our boys went down by a point in the final against Cudgegong Valley; however, Hugh, Harry, Jack and Ashton have all been selected in the Western PSSA AFL Team to play at the State Carnival in Nelson Bay in May. Brilliant!

See you soon!

Sport

This term has been a busy term for sport. Last week our PSSA AFL team lost to Cudgegong Valley PS by 1 point, what a close game! Congratulations to Hugh Williams, Ashton Ross, Jack Crofts and Harry Roscarel who were selected in the Western PSSA AFL team and to Jye Hoskinson who is selected as a reserve.

On Monday Jye Hoskinson travelled to Dubbo to the Western Rugby League trials and from all accounts played well but was unlucky to miss out on selections.

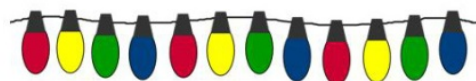

Well done to Angus and Hugh Williams who swam at the state swimming carnivals this week, what a massive effort!

Today we are travelling to West Wyalong to play in the PSSA basketball knockout and tomorrow the girls will play West Wyalong in netball @ Ungarie, 11.30am.

The girls have been training with lots of enthusiasm.

Good luck everyone!

April is Autism Awareness month, so wear your **BLUE** outfits to school tomorrow (FRIDAY).

“Hamstring Cup”

Once again the township of Ungarie was a buzz with the news that the cup was looming. Not the Melbourne Cup, not the Creet Cup and not even the infamous Bogeye Cup. This is the Hamstring Cup. A local derby between Ungarie A grade and Ungarie over 35's cricketers. The toss was finally won by the over 35's captain who hasn't won a toss in years. So the captain put 35's in to bat first. The paparazzi were poised when the first 2 batsmen walked to the crease. The paparazzi would only be known as "Rooster". He was given full authorisation of the dressing rooms. The fans who travelled from near and far were chanting in the grandstands. Hound dog Henley and Dynamic Daly sprinted out to the crease and faced Kung Fu J Keatley's radical bowling. High spirits Harry (official umpire) said to Henley "looks like Erwin is having Duck for dinner!!" and sent him back to the dressing room. Rascal Robb walked out chest pumped and he and Daly settled in and the score began to climb till Robb also forced Harry's finger and went for a walk. Reckless T Rossiter walked out to cheers as he faced his first ball. He made a handy 18 before he was caught by Magic McClintock. Well behaved bionic West faced many balls and stayed till he retired at 37 runs. Over 35's followed up with D "damage" Patton and Lethal Lochie. Tackle box Thomas bowling and Dave was caught by Mc Clintock. Lockie battled on partnered by Magnetic Murrells who was bowled by Charlie West. Parched Patton went out to check the pitch, made a run then was run out. Brutal Bryant went to keep Lochie company, they then batted out the overs, unfortunately Bandit Boneham didn't face a ball but was looking forward to bowling. The over 35's made 7/128. The A graders were very confident that they would knock over the score pretty quickly but this confidence was short lived. Magic McClintock and Eager Erwin went into bat but it was in the second over that Bandit Boneham bowled to Erwin, he went for the six but was caught by Lochie. Wild Whiley went out to help McClintock but only 2 overs later McClintock was sent back to the rooms after being caught by Reckless Rossiter. Kryptonite Koop and Whiley settled down and put some runs on the board until Koop was caught by Lochie for 11. Wicked Wardy and Whiley stayed put for a while till Whiley was bowled by Rowling. They all came in for sodas and discussed strategies. Ward and Tackle box Thomas went out, but this partnership was short lived when Thomas was caught and bowled by Henley. Monstrous Mick Keatley ambled out and Ward and Keatley put on a handy 23 runs till Ward was run out. Mates Keatley and Dangerous Dave Barron put on a further 12 runs till Keatley was caught by Daly. Kung Fu Keatley high fived his bro as they passed, one going in one going out. Jed only faced a couple of balls before he was caught by Bionic West. A Graders were starting to panic as there was still 10 overs to go but they needed about 50 runs and only 2 wickets in hand. Barron and Party Peter Ward did a bit of reckless batting but settled down and Ward brought home the winning runs much to the relief of the A graders as it was often said in the grandstands that we can't let them beat us!!! It was a great arvo and hopefully may be an annual event.

'HABIT OF MIND' AND SPORT AWARD RECIPIENTS FOR WEEK 10

SCHOOL HAPPENINGS

Congratulations to Hugh Williams, Harry Roscarel, Jack Crofts and Ashton Ross on being selected in the WSSA AFL team to play at the state carnival in Nelson Bay in May. Jye Hoskinson has also been named in the reserve list.

Jye Hoskinson attended WSSA Rugby League trials in Dubbo. Unfortunately Jye was not selected in the team but played well on the day.

Ella McRae, Harry Roscarel, Noah Bryant and Abby Wason travelled to Tottenham earlier in the term to compete in PSSA Tennis. Tottenham won on the day.

'YEAR 8 BEYOND THE GATE' UNSW ASPIRE EXCURSION

On Tuesday 22nd March, we set off to Sydney with Mr Cattle by bus from Ungarie and the XPT train from Cootamundra.

We were going to the 'Year 8 Beyond the Gate' excursion organised by the ASPIRE group from the University of NSW. We stayed at the Ibis Hotel in Darlinghurst with other Year 8 students from around the state including Tullibigeal, Condobolin, Lake Cargelligo, Walgett, Lightning Ridge and other rural and regional schools. On Wednesday we went to the UNSW and participated in various activities using the laser cutter and scanning people to print out on the 3D printer. After lunch, we went to Coogee beach. The lifesavers from Coogee Lifesaving Club took us out into the surf and showed us some drills they do and how rips work. We also had a go at some of the 'Nipper' activities.

Thursday we went to the Australian Film Television and Radio Studios (AFTRS) and participated in film making and television production. This was fun as we made a pretend news segment. That night we went shopping after dinner and then played laser tag. There was lots of competition between us and the Condo and Tulli kids. Friday we came home to Ungarie after almost missing our early start by sleeping in. It was a great trip and we would like to thank ASPIRE for the opportunity to participate in this excursion and Mr Cattle for being our chaperone.

FORENSIC SCIENCE WORKSHOP

Year 7/8 had a visit from Tarrin Batty a forensic scientist from the NSW Forensic and Analytical Science Service in Sydney. She spoke to us about her job in forensics and the other work that is done at the centre. She showed us how DNA is passed onto us from both our mum and dad. Michelene, Ryan, Josh and I then got to do some DNA testing. We had to collect the DNA from samples such as a glove, a hat and a water bottle using swabs and special tape. By Tilly Langham

TERM 1 REWARD DAY 'THE AMAZING RACE'

Reward Day for Term 1 was held on Monday 4th April. Teams dressed in the colours of their country's flag and 'Raced Around The World' completing various challenges. Some great leadership and group work skills were demonstrated. Lots of fun was had and Japan won the race.

Lots more photos and action shots from Reward Day will be included in the newsletter next term.

YEAR 9/10 DESIGN AND TECH EXCURSION

On Tuesday 5th April Yr 9/10 Design and Tech went to Griffith to watch some of our farm signs being cut out by the water jet cutter at Midwest Conveyor & Belting Services. Brad showed us how to use the program on the computer to finalise our designs so that they were right to cut. This program can be used to design anything from signs to truck parts. They allowed us to be hands on by controlling the path of the water jet.

Above and left: Students in the workshop.

Brad and his business partner Damien kindly donated their time, materials and knowledge on the day for us to complete this part of our sign projects.

We would like to thank Brad and Damien for this great experience and we would recommend them for any project that needs cutting.

The finished farm signs for our Project Based Learning will be displayed late in Term 2.

Thank you to Mrs Noble for organising this excursion and to her and Jason Lewis for transporting us.
