The week that was....

We've had a wonderful week celebrating **public school education**! On Monday I was privileged to take our School Captains to Griffith for an Education Week ceremony at Griffith Central. The captains received an Excellence in Leadership award from David Lamb, our Director. Congratulations girls!

Mrs Mason also took our recorder group to Wagga on Monday to perform at the opening of Education Week in the Riverina. From all reports they played beautifully and impressed the crowd. We celebrated **Education Week** at UCS yesterday with open classrooms and a special assembly. It was great to see the large crowd of parents, grandparents and friends wandering around the school and looking at the wonderful things we are doing. We had a **huge** assembly yesterday. I'm sure you'll all agree that the time it took was well worth it just to see the amazing things we're doing here at UCS. I was impressed with the musical items yesterday. Many students had

only began playing their instrument this year so what an outstanding effort to perform in front of a crowd. I apologise for any squeaks that may have come from my clarinet during the performance!

Congratulations to Mrs Rachel Jackson and Mrs Pat Daly who received a special **Certificate of Recognition** for their commitment and dedication to the Ungarie Central School community.

In other news, it has been decided to hold our **Athletics Carnival** in West Wyalong next Wednesday 10th August. Council has advised us that the Ungarie ground has a number of holes on it due to the amount of rain we have had and is not safe for us to use for our carnival. I received word earlier this week from Allan Johnston, the Lower Lachlan President, that the Lower Lachlan Athletics Carnival has been cancelled this year. Please contact me if you need any extra information in regard to this.

Until next week!

CWA Mongolia Afternoon.

Yr 5/6 will be giving a presentation to the CWA on Monday the 8th of August. K/1/2 have completed amazing flags and 3/4 have made some fantastic boxes displaying information about Mongolia. Year 5/6 will present a power point and show the Mongolian dolls they have made. We will also be taking some tasty Mongolian treats thanks to Mrs Noble and her hospitality class.

Congratulations

Congratulations to all those students who received awards at yesterdays assembly. It is fantastic to be able to recognise the hard work and commitment to learning in our students.

It was also wonderful to see so many students receive home reading book awards.

Year 5/6

Well done Year 5/6. The improvement in your home reading and in your completion of homework this term has been fantastic. Keep up the good work.

Dear parents, carers and community of Ungarie Central School

Welcome to Term 3 for 2016. I hope everyone had a relaxing break over the School holidays. As School has recently returned I thought a popcorn snack might be a useful idea as popcorn can be added to school lunchboxes as a yummy snack or eaten at home. Below are a couple of ideas as to how to make your popcorn spicy or sweet.

Why Popcorn?

Without unhealthy additions of lots of salt, butter or sugar, popcorn is an ideal snack that has few kilojoules and lots of fibre.

Popcorn provides energy-producing complex carbohydrates, has a low GI so you don't get a sugar spike. Being high in fibre, popcorn works to slow digestion and prolong the feeling of fullness so can help with weight maintenance. Popcorn is naturally low in fat and calories, has no artificial additives or preservatives, and is sugar-free.

Issue 3: August 2016

Popcorn (makes 4 cups)

Ingredients:

- 1 tablespoon canola oil
- 1/4 cup popping corn
- A little salt

Method

Heat a heavy based saucepan (that has a tight fitting lid). Add oil, and when hot add popcorn, cover and cook over a medium high heat. Shake frequently while popcorn is popping.

Alternatively, place popcorn and oil into a large microwave safe bowl and cover, then microwave until corn has popped or follow directions on packet OR place some popcorn in a paper bag, seal and microwave.

Serve with a sprinkle of salt, or with either of the mixtures below.

If you want to make the popcorn spicy add the spices while popcorn is warm.

For sweet popcorn, don't add the salt, then toss in the sugar and spice mixture.

Spicy

- ½ teaspoon ground cumin
- ½ teaspoon ground coriander
- ½ teaspoon paprika

Sweet

- 1 teaspoon ground cinnamon
- ½ teaspoon ground nutmeg
- ½ tablespoon icing sugar, sifted

Did you know.....

Air-popped popcorn has 130 kilojoules per cup, oil-popped popcorn has 231 kilojoules per cup, and lightly buttered popcorn has about 559 kilojoules per cup.

So air-pop your popcorn whenever you can!

NSW CHS U15'S AFL TEAM

On the 23rd of July the team arrived at the SCG to watch the Sydney Swans train and I ended up snagging a few photos of myself and the players. We got our jerseys presented to us by a former captain of the Swans, Brett Kirk. After that we all travelled to the airport. We were bound for Maroochydore for 7 days to play AFL in the All Schools Australian Carnival. The competition had a team from every state. We were the NSW Blue Dogs.

On the first day of the carnival we played the powerhouse of Victoria. They were a very talented team and beat us convincingly by 80 points. I kicked one of the three goals kicked by us that day.

On the second day we played another strong team, South Australia. It was a tightly contested match all the way to the end. We ended up losing that one as well by a narrow 4 points. I managed to also kick one goal in that game.

Day 3 was a rest day and we went to the Australia Zoo as a part of a leadership excursion involving the teams from every state. We had a scavenger hunt requiring us to correctly answer questions and instructions to earn points.

On Wednesday we played the ACT, we won very convincingly, by 90 points. After the game we had a session on social media conduct. Our next two games were against the Northern Territory and Tasmania. I had my rest game against the Northern Territory. We beat them by 55 points. After that we played Tasmania. They were a bit better than Northern Territory but we still managed to beat them by 8 goals. At the closing ceremony NSW was lucky to get two players into the AFL Australian team.

My expectation for the carnival was simply to get the opportunity to play against the best of the best at my age.

Our coach has been great and I learnt new things about the game every day from him that I could bring back to club footy. I had a great 8 days with the boys and coaches. I'd like to thank Ungarie Central School for giving me the opportunity to make it as far as I have. I really appreciate it.
