The week that was....

What beautiful weather we are having this week. It's great to finally see some sunshine to help brighten everyone's day! This week has been relatively quiet compared to the last few weeks. It's been great for everyone to stop, take a breath and concentrate on learning.

On Wednesday, Mr Cattle took some of our Year 3/4 boys to play in the Trent Barrett Shield in Temora. Unfortunately, there was a slight mix up and our team was missed from the draw. This didn't stop our boys from having fun and joining in with other teams though. Well done boys and Mr Cattle on a great display of resilience!

Don't forget that tomorrow is our mid-term PBL celebration. We would love to see all students dressed in our PBL colours, blue, pink and green, to help celebrate the positive things that have happened at UCS so far this term. The challenge is on to see if we can have 100% of staff and students dressed in the colours!

Over the next two weeks our Year 12 students will be sitting their HSC trial examinations. This will assist them in preparing for their HSC written examinations in October. Good luck Beverley, Sara and Breanna!

There's a wave of excitement throughout the Primary area as the Year 4-6 Recorder Group and Mrs Mason make their final preparations for their performance at the Opera House next Wednesday. They will leave for Sydney on Tuesday morning and return on Thursday afternoon. We can't wait to hear all about their trip when they return.

The safety of our students is very important to us. There have been a number of incidents involving students not following the correct safety procedures for entering or exiting the school. Students have been reminded that they must walk along the fence and use the school crossing. They must not wave vehicles across whilst waiting for their friends. They should either step back from the crossing to wait or cross and wait for their friends on the other side. Please discuss road safety with your children.

Until next week!

NSW Rural Fire Service invites you to attend a Community Protection Planning Meeting

SESSION DATE & TIME:

What: Community Protection Plan meeting for the Ungarie community

When: **Monday 22nd August 2016** from 6:30 pm till about 8:30 pm

Where: **Ungarie Central Hotel**

The session will begin at 6:30 pm and will finish around 8:30 pm. There will be time for questions and individual bush fire planning advice afterwards. Light refreshments will be available.

A MEETING FOR ALL RESIDENTS

Bush fire and grass fire impacts can be mitigated. Bush fires occur at certain times of the year, and depend on the prevailing weather, terrain and fuel conditions. They can travel quickly and erratically.

This means we need to plan, together !

To help you get prepared for bushfire, the RFS will lead a discussion about:

- Where we live, what it means, & what you can expect in a fire
- Bush Fire Survival Plans
- Property preparedness and treatment options
- Contingency options
- At-risk communities

So come along to the session to:

- Learn about bush fire behaviour and threats
- Have your questions answered
- Gain an appreciation of the role all of us must play to help prepare ourselves & our properties for bushfire
- Contribute to preparing and protecting the community against bush fire
- Talk about these issues with your neighbours

In the meantime and in preparation, bush fire-related information is available visit www.rfs.nsw.gov.au

Look forward to seeing you there!

PREPARE. ACT. SURVIVE.
