#### From the Principal's desk...

What a wet week we have had in the Riverina! With some places receiving over 150mm of rain over a week, there was certainly a large amount of water around. The students of Ungarie Central School had an unexpected long weekend with the school being non-operational, after access was cut to school on Monday. We'd like to thank the SES for their communication with us, which enabled us to pass information onto parents in a timely manner. I hope that our last week of school is less eventful than this week has been.

Today, we had a visit from Senior Constable Alex Davies, our local Police School Liaison Officer. Constable Davies spoke to the Year 7-11 students about cyber safety. This is a timely message for our High School students. The Office of the eSafety Commissioner website <a href="https://www.esafety.gov.au/esafety-">https://www.esafety.gov.au/esafety-</a>

<u>information</u> has some fantastic information and tips for parents and students. We will have a visit from the Youth Liaison Officer in 2018, who will talk to our K-6 students.

Everything is full steam ahead for the Performance Night tonight. Students have been busy rehearsing and will definitely impress you with their singing, dancing, playing and performing. Students are asked to be at the hall by 6.30pm. There are further details in The Humbug.

Thank you to the students in Years 5 and 11

who gave their School Captain speeches on Wednesday. Everyone was impressed with the quality of the speeches and it was a

difficult decision to make. The 2018 School Captains and Primary Captains will be announced at our Presentation Night on Tuesday.

We received word yesterday that Mr Davies has been formally named as the substantive Principal of Lavington Public School. Mr Davies will be missed here at UCS, however our loss is Lavington Public School's gain. The process for filling the position of principal at Ungarie Central School will be held in 2018.

Don't forget our Ungarie Hair with Heart Day tomorrow. Join us for lunch at 1.20pm where you can also walk through the Bland/Temora zone communication bus.

Until next week! Terrie Payne

UCS was non-operational on Monday 4<sup>th</sup> Dec as 0.8m of water covered the bridge.

Congratulations to Sammy Rutledge who won Junior Champion Rider under 12 in the Equestrian Australian (EA) Australasian Show Horse & Rider Championships at Werribee Park National Equestrian Centre from 30<sup>th</sup> Nov. to 2<sup>nd</sup> Dec. This competition included competitors who have qualified from all states of Australia plus riders from New Zealand.

#### YEAR 3/4 TECHNOLOGY

Throughout the year Yr 3/4 Technology have been working with a variety of software programs on the computers. These have included word, excel and paint. They have also used the internet to research and communicate via email.

The activity pictured here a was a conglomeration of a number of skills. Firstly students had to source an outline map of Australia from google. They then pasted this onto a 'word' document. Using research skills and drawing tools on the computer they inserted the state borders, named and coloured the states and territories and attached a compass to the picture.

They then added appropriate Australian animals as decorations to their work.

You can see from these photos how extremely competent all these students were at achieving the outcomes of this task. They were all very proud of their work. Mrs Wason.

## UNSW ASPIRE YEAR 7 LIVING WITH 21<sup>ST</sup> CENTURY TECHNOLOGY AND YEAR 8 BEYOND THE GATE EXCURSION

Above back row: Jye Hoskinson, Ryan Crofts, Kadee Gerard-Scali, Abby Wason, Molly Bryant. Front row: William Batty, Jack Crofts, Madi Cassidy.

On Tuesday 21<sup>st</sup> November, 3 Year 7 and 5 Year 8 students made their journey to Sydney to take part in two exciting Aspire programs held by The University of New South Wales. The Year 7's would be looking at new technology by taking part in "Living with 21<sup>st</sup> Century Technology" and the Year 8's were taking part in "Beyond the Gate". All students seemed excited and ready for their four-day excursion, joining Lake Cargelligo and Tullibigeal students on the bus and train journey.

Year 8 students experienced campus life for a day and learnt how to put a plaster backslab on and also created some pottery. They had a great visit to the Sydney Observatory and created raps and news articles for their school.

Year 7 students spent their time looking at new technology such as machinery that can read the pulses in our brain and learning how to use and fly drones.

All students enjoyed a moonlight film whilst relaxing into huge bean bags and got to play a game of bubble soccer which was exciting and bouncy! The excursion ended with a trip to Coogee Beach which involved an invaluable surf lifesaving lesson.

Much fun was had by all and students and teachers were already talking about the next Aspire trip on the journey home.

#### SECONDARY BOYS CENTRAL SCHOOLS CRICKET

On Tuesday 31st October, Ungarie Central School hosted Lake Cargelligo in the Secondary Central Schools cricket knockout.

Lake were first to bat, and they attacked from the outset. They were swinging like rusty gates, some shots paying off, and others not!

The cricket was action-packed, with lusty hitting interspersed with a steady clatter of wickets. Before we knew it, Ungarie had bowled out Lake for 70. Damian bowled a good line for 2 wickets, and Daniel snared 4.

Then it was our turn to bat .....

Josh and Jack Wells opened, with Jack out in the second over. Tom came in and slapped a few around, and he fell for 13. Damian offered good support to Josh, but when Josh got out for a neat 22, the rot set in! Lawson Phillips ripped the heart out of our innings, claiming a hat-trick and bowling Ungarie out for 59. Back row: Jared Robb, Jack Wells, William Batty, Tom Roscarel, Braden Payne, Jye Hoskinson. Front row: Jai Thompson, Josh Roscarel, Daniel Potter, Angus Williams, Damian Batty, Jack Wason (scorer).

Intensive swimming was held in weeks 8 and 9 of Term 4. The weather was beautiful and sunny and this made it easy for the students to enjoy being in the water. Lessons ranged from increasing students water confidence, to basic swimming skills through to stroke development and life saving techniques.
