From the Principal's desk...

I'd like to welcome all of our students and staff back to school for Term 4. I hope everyone had a chance to relax and take a break after our busy Term 3. It's hard to believe that we only have nine weeks of school left for 2019!

Our Year 12 students, Daniel, Jared, Kayla, Sophie, Jack, Damian, Jackson, Colby and Seth, finished their formal schooling at UCS on the last day of Term 3. Students were excited to see the results of the Year 12 'muck up' evening, especially enjoying the balloon walkway at the front of the school. Year 12 finished school with a bacon and egg breakfast, final morning assembly and a guard of honour from all staff and students. They then spent the day enjoying their make shift 'recreation area' with a blow up pool and table tennis. I would like to wish them all the best for their Higher School Certificate exams, which began with English today. We do encourage them to come and speak to their teachers if they would like any help or advice, as we are still all here to support them. They have worked so hard for the past 13 years of school and we look forward to seeing their results.

With the hot weather approaching, I encourage all students to bring a water bottle to school each day. Our cold-water bubbler

is still out of order and we are looking at replacing it this term if it can't be repaired. Students must also wear a hat to school to help protect them from the sun.

On Monday afternoon, all teaching staff attended a twilight professional learning session from 3.30pm to 6.30pm. We will hold another twilight session on Monday 4th November to work with Tanya Riach on STEM Film Making. Staff will now finish with students on Wednesday 18th December instead of Friday 20th December in lieu of the four twilight professional learning sessions we have held over the year.

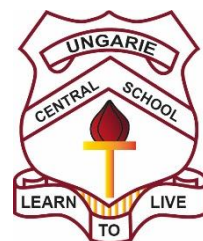

K-6 enjoyed their time at the Emergency Services Day at Wyalong PS on the last day of Term 3, learning about how our emergency services can help them. We thank Wyalong PS for their invitation to attend.

Don't forget to go online and fill in the Tell Them From Me survey. Please provide your feedback by completing the Partners in Learning Parents survey at <http://nsw.tellthemfromme.com/ungariecs>. The survey will close on Friday 25 October.

Until next week,
Terrie Payne

Sharing Culture

Wednesday afternoon, students from K-8 were engaged in a performance by Glenda Stanley. Glenda showed us an array of weapons that Indigenous people use to hunt, baskets that women use to gather resources and dances of the Indigenous peoples. These dances depicted emus, kangaroos and eels. Glenda is an Indigenous woman from Moree, NSW. She travels all over NSW, sharing her culture and language with school children. —Ethan Robb

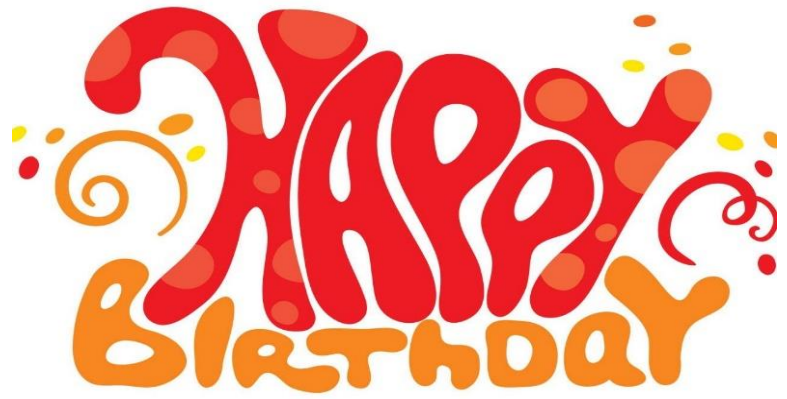

Emergency Services Day

Primary students finished Term 3 off with an excursion into Wyalong Public school for an Emergency Services Day. This day provided students with the opportunity to hear from an array of workers in emergency services positions including police, ambulance, firefighters and the SES. Students had a number of highlights of the day including being in a smoke tent, climbing in the fire truck, pretending to drive a race car and getting into the holding cell of the police vehicle.

Our lost property bin is OVERFLOWING! These items have no student names on them. If your child is missing any winter clothing items, please come and check the lost property bin. These will become spare clothing in our office or be donated in the next few weeks if they are not claimed.

YEAR 12 FAREWELL

The Ungarie Central School Year 12 Farewell was held on Thursday evening 26th September at the Ungarie Bowling Club. Hosted by Year 11 the students enjoyed a great celebration of their school life with staff and family members. Mrs Payne congratulated the students on their achievements and presented them with their graduation documents. Mrs Jackson reminisced about her time with them as Year Advisor and Year 11 students Angus Williams and Braden Payne summed up with stories of their time at school. Many laughs occurred throughout these recounts. Year 12 students Damian Batty and Jared Robb responded on behalf of Year 12. Daniel Potter and Seth McCubbin presented staff with individualised coffee mugs which amused and delighted everyone. Technology provided an addition to the evening with Mrs Cooper (in Japan) and Mr Dodhy (in Wollongong) using FaceTime to call and talk to the students. As always the collection of photos and Mrs Mason's video of past school performances provided many memories, laughs and 'Oh no!' moments. Year 12 ended the fantastic evening cutting their cake and taking photos with family and friends. Top left photo: Mrs Rachel Jackson, Seth McCubbin, Kayla Bradley, Jackson Benness, Sophie Haub.
