From the Principal’s desk...

This year our school is taking part in the Steggles Sydney Royal Easter Show Meat Bird Pairs Competition. Competing schools receive a batch of day old chicks. Schools are then required to rear the chicks and prepare the best two females and two males to compete at the 2019 Sydney Royal Easter Show. The Competition is judged by experts of the commercial poultry meat industry and consists of three components:

1. Presentation of Exhibits: Live Competition of Meat Bird Pairs – Best male pair and best female pair to be exhibited per school
2. Carcase Component: Meat Bird Pairs birds are processed (organised by the Sydney Royal Easter Show) and carcases are judged to commercial standards
3. Project Component – students create a PowerPoint presentation detailing how the meat birds were raised and prepared for the Show.

Our meat bird chicks arrived at school today and will be reared by Mrs Jackson and the Agriculture and Primary Industry students. Thank you to Fiona Doyle for transporting our chicks from Condobolin.

At the end of 2018, an independent review into the non-educational use of mobile digital devices in NSW schools was completed. The NSW government announced that in response to the recommendations made by the review team the use of mobile devices during school hours will be restricted in NSW public primary schools. This year we will be working with our school community to review our mobile phone policy. We would like to remind all students that any contact with parents during school hours must be made via the school. If students are feeling unwell, they must come to the front office to ensure that school staff are aware of what is going on and can then contact parents if necessary. If you receive a phone call or message from your child that they feel unwell or would like to be picked up, please contact the front office first.

Students are reminded that they must bring a hat to school to wear during play times and sport/PE. Any students who do not have a hat will be required to sit in the shade on the benches in front of the computer room. A school wide brim hat is preferable to caps.

Good luck to those students in Years 2-6 who will be competing at the Lower Lachlan PSSA Swimming Carnival tomorrow!

Have a great week!

On Tuesday 5th February, eleven Year 12 students from Ungarie Central and Condobolin High left to go on an excursion to visit several universities. Condobolin High students were the first to try out the brand new 12 seater bus. Our first stop was at Charles Sturt University- Wagga Wagga where students were given a tour by students that attended the university. They had a good look at the wide variety of accommodation possibilities that CSU- Wagga Wagga has to offer and then travelled over the hill to look at the university. CSU- Wagga Wagga may be a small university but it offers a huge amount of courses. After lunch at McDonalds, we journeyed onto Canberra where we experienced a strange phenomenon called rain! After settling into our cabins, we travelled to Belconnen for dinner and a few games of ten pin bowling. Jared ended up being the overall winner in the bowling.

After feasting on a huge buffet breakfast at the caravan park we took the short drive to the University of Canberra. The ‘Widening Participation’ team which included a past student of Condobolin High - Daniel Heinrich, showed the students around the university and also completed several activities on developing knowledge of academic life with the students. Several students were lucky to walk away with a UC hoodie. The day we attended UC was also their market day held for orientation week (O-Week) so our students got to develop an understanding of what the atmosphere is like during O-week. While on the tour of the university we were lucky to see the Brumbies training as their base is at the university Sports Centre. Past teacher of Condobolin High: Gail Heinrich also visited our group and discussed life at UC with the group. On completion we drove to Goulburn for lunch and proceeded on our way to Wollongong. As we travelled into Wollongong we once again experienced the strange phenomena called rain.

At the University of Wollongong we were staying in the on campus accommodation called Kooloobong Village along with a large number of other schools. This accommodation had recently been renovated and the students had rooms that included en suites and kitchenettes. The university provided the students with dinner and also evening entertainment. We met up with Dinish Dodhy, past teacher of both Condobolin and Ungarie. This was the beginning of the Dodhy tour of Wollongong - his hometown. We were lucky to visit the lighthouse before another storm hit.

On Thursday the students participated in the University Discovery day where over 1000 different high school students attend each day for a week. The students were firstly given an introduction to university in a hall seating all 1000 students by a university student undertaking Communication and Media studies. After this the students went to 4 other lectures around the university for the day. The lectures were chosen by the students around subjects they would be interested in studying if they were to attend university. At the completion of the day we once again participated in the Dodhy Tour. Dinesh took us to Stanwell Tops lookout and then across the famous Seacliff Drive. We visited Bulli beach and then visited the shopping centre of Wollongong.

On Friday we travelled home to Ungarie and Condobolin, where we experienced everything from rain, hail and dust storms. The whole four days was a wonderful experience for the students as they got to immerse themselves into all aspects of university life. A huge thank you to Jason Lewis for driving the Ungarie bus and assisting all the time. Congratulations to the students for being wonderful ambassadors for their school.

Ungarie CWA

Ungarie CWA Branch held their inaugural 2019 meeting on 11th February 2019. The meeting was well attended with members expressing enthusiasm for the year ahead.

A minutes silence was held to honour CWA Members who had passed, with special mention of the sudden loss of our esteemed member Mrs Judy Rogan, with condolences expressed to her family.

Following reports delivered from the executive, Treasurer/Secretary Pam Brewer; Marian Clarke and Agricultural & Environment officer Anne Wells the meeting moved on to lively debate about the Branch Agenda for 2019.

Members are reminded that CWA Group Handicraft day will be held at Junee on 6th March, those members submitting work are requested to advise Pam Brewer on or before 27th February 2019 the description of the craft item and for catering purposes numbers attending the event.

Pam also asks that members express their interest for a trip to Temora on 9th March for the Temora Museum open day. The entrance is $15 or $12 Concession. Sounds like a great way to reminisce on days gone by.

CWA Ungarie will be holding a St Patricks day stall on Friday 15th March in the main street offering a variety of cakes grocery items, craft and a raffle. We look forward to the community supporting this fundraiser.

NOTE: Bingo will recommence on last Monday of the month, commencing at 2PM in the CWA hall.

**Fanny Lumsden** is shooting her next film clip for the song *Pretty Little Fools* in Ungarie, at the pool, NEXT Tuesday. She is hoping to gather a good number of people together for the ‘crowd shots’. If this is something you and your kids might want to be a part of come down to the pool from 4pm and get amongst it.

Things to consider:

* Fanny would like a retro feel to the clip so for outfit inspiration, check out her *Totem Tennis* clip.

* Any beach umbrellas or picnic blankets or old eskies or old deck chairs would be amazing additions

* Try to steer away from any visible brand names on T-shirts (town names are great though)
