From the Principal’s desk...

I hope that all mothers had a chance to relax on Sunday for Mother’s Day. Thank you to our P&C for your efforts in running the Mother’s Day stall last week. I know our students really appreciated it, as I’m sure those mothers who received something special from their children did as well.

Last Friday, we hosted the Lower Lachlan Cross Country. It was freezing cold with rain at times, however Mr Cattle pushed the races through to ensure the students weren’t out in the cold for longer than necessary. Congratulations to those students who have qualified to trial at the Western PSSA Cross Country in Geurie on the 12th June. Thank you to Mr Cattle for his organisation and to Miss Imrie, Mrs Archibald, Mrs Jackson, Mrs Wilson, Daniel Potter, Josh Roscarel and Braden Payne who braved the cold conditions to help out.

NAPLAN online is running relatively smoothly this week, with minimal issues. There have been other schools in the state who have experienced technical issues, however at this stage our students have not been impacted by this. Students who are absent for the assessments will be given the opportunity to catch up next week.

Congratulations to our primary tennis team, consisting of Hannah Wilson, Darcy Cattle, Lewis Henley and Evie Henley, who were victorious against Milthorpe PS on Monday. The team will now play Blayney PS.

This week we have four students, Jack Wason, Damian Batty, Jared Robb and Angus Williams, who are in Bathurst for their Information, Design and Technology work placement. The boys will spend the week at Appiwork, which is a business that creates mobile apps. A big thank you to Jason Lewis who is in Bathurst with the boys.

Last night the Public Education Foundation celebrated the achievements of students, teachers and principals in public schools across Australia at the Annual Proudly Public Awards Ceremony at Sydney Town Hall. Special congratulations to Year 11 student, Angus Williams, who was a recipient of the Trades and Technology Opportunity Scholarship. This is an outstanding achievement, with only two students in NSW public schools selected for this scholarship, and is a reflection of the dedication that Angus shows towards his learning.

Have a great remainder of the week!

Terrie Payne

Due to Biggest Morning Tea next Thursday 23rd May, there will be **NO UCS YUM.**

Apologies for any inconvenience.

Voucher winners for the following Thursday, 30th May are:

**Breakfast:** Jack Douglas
**Recess:** Jack Douglas
**Lunch:** Rachel Ridley

---

**Library Books**

Overdue library book notices have been handed out this week.

If your child received one, could you please assist by reminding them to locate these overdue books and return to the school library.

Thank you for your assistance.

---

Isla Mayall       22nd May
Jack Douglas       21st May

---

**Apology**

There will be no Humbug student news/photos today due to technical issues.

Double lot next week!

---

**Super Spellers**

K/1/2: Ruby, Chace, Thompson, Lincon, Sam, Taylah and William
3/4: Olivia, Darcy, Tyler, Isla, Evie and Samuel
5/6: Mitchell, Jarrod and Caitlin

---

**2019 Premier’s Spelling Bee**

Students in Years 3, 4, 5 and 6 wishing to participate in the 2019 Premier’s Spelling Bee were given the list words this week. If there are students who would like to participate and didn’t receive these please see your classroom teacher. The date of our school Spelling Bee to determine the regional finalists will be advised when it is confirmed.

---

**Home Reader Awards**

As we will be holding an Assembly next Thursday, students need to bring their home reader booklets in as soon as possible. It would be greatly appreciated if these could be in tomorrow or Monday.

---

**Year 3/4 STEM**

Year 3/4 are learning how to code this term during STEM. They have been using Ozobots and coloured codes to design maps that make the Ozobots move in different ways.
Ungarie Central School’s
Biggest Morning Tea
Fundraising for Cancer Council
Whole community welcome!

Next Thursday 23rd May @ 11am

SRC will be organising this morning tea
Tea and barista style coffee will be available in the Home Science room along with yummy scones, pikelets and slices
Tea & plate $4
Coffee & plate $6
Students can also purchase milo at the canteen at a cost of $1.50
Scones, pikelets & slices will also be available for 50c each

If anyone would like to donate cooking for this worthy cause, it would be greatly appreciated.
(please contact the school if you can help out)

Followed by:
A whole school assembly at 12.20pm in the hall
with the Scholastic Book Fair open all day in the library.
UCS P&C News

We held our P&C meeting on Tuesday 14th May and only just had enough numbers to proceed with the meeting. Thank you to all who could attend and those who put in apologies.

In order for our P&C to continue to provide the great services (canteen, uniforms, stalls & providing support for the students, teachers and school), we need to have the meetings. They are once a term and takes about 45 minutes. 45 minutes out of 10 weeks which equals 50400 minutes is not much. Please come to a meeting and volunteer when you can help and support P&C. There are lots of ways to volunteer; making/baking goods, volunteering in person, providing ingredients and coming to meetings.

- On a much brighter note the Easter Egg Guessing competition was a great success raising $88.00
- We hope all the mums enjoyed their special gifts on Mother’s Day. The stall was a knock out raising $198.50
- Lower Lachlan was a cold and wet day for a change and was a knock out raising roughly $650.00

- Looking to the future we have the Athletics Carnival on the 21st June, which we will need volunteers, and donations of cakes slices and soups. – Please let Vanessa know if you can help out.
- The Father's day stall will be held on the Wednesday 28th August -more details to follow.
- Show bag stand for the Ungarie Show on the 7th of September -more details to follow

Our Next Meeting is to be held on the Tuesday the 13th August @2pm in the Staff Room we hope to see many there.

Ungarie Central School will once again be participating in the Woolworths earn & learn campaign.

Temora Woolies will have a collection box for UCS tokens and there will also be a box in the school office.

We have received some fabulous resources in the past from this promotion and your assistance again would be greatly appreciated.
HEAD LICE TREATMENT OPTIONS
INFORMATION FOR PARENTS AND CARERS

There are two treatment options for head lice.
1. Mechanical removal (removal with a head lice comb)
2. Chemical removal

Mechanical removal

Mechanical removal involves applying normal hair conditioner to dry hair. After covering all of the hair with the conditioner untangle it using a normal comb and separate the hair into sections. Then use a fine long toothed metal lice comb to comb through the hair in sections. The conditioner doesn't kill the lice but it stuns them for about 20 minutes making it easier to remove them. The lice comb will remove nits (eggs) and the stunned lice. Wipe the comb on a white tissue and check for any lice or nits. Keep combing until no more appear on the tissue. This method should be used every second day until none remain (usually about 7 to 10 days).

This method is the preferred way to treat head lice because it is effective, does not contribute to insecticide resistance in head lice and also has a low risk of skin irritation.

The mechanical removal method also helps manage head lice before they become established on the head. Keep a good head lice comb in the shower and every time your family washes their hair comb through with the lice comb. This makes sure the lice are caught before they lay too many eggs.

If your children are old enough to wash their own hair encourage them to use the comb themselves. Or keep the comb handy to where you wash your children’s hair and use it every time you wash their hair.

Chemical removal

If you choose to use a chemical treatment, remember to follow the instructions carefully. Don’t be tempted to re-apply the same chemical treatment if it doesn’t appear to be working. Instead change to another treatment that uses a different chemical compound or use the comb and conditioner method. You must repeat the treatment in 7 days to kill any newly hatched eggs. You will also need to use a lice comb to make sure the treatment is working. If you find dead lice the product has worked. If you find live lice, the treatment has not worked.

When your child is free of lice and nits, remember to check regularly with a fine toothed lice comb and conditioner. Early detection and treatment will prevent re-infestation of family members and classmates.

What to do about bedding and clothing

Research suggests that bed linen, hats, clothing and furniture do not harbour or transmit lice or nits and that there is no benefit in washing them as a treatment option. Nits and lice only live on the human head. They quickly dehydrate and die if removed from the head.

*This information is based on information provided on the NSW Health Nitbusters website.
**Bland Hoteliers Jackpot Draw**
This coming Tuesday will see the draw back to $200

**Tuesday Night Raffles**
6 meat trays and other prizes available.
Come on down and win some meat trays!

Ungarie Tennis Club
Exciting News!

The grand opening of the brand new tennis courts is Monday 20th May at 4.30pm.

Our state member, Steph Cooke and Mayor Brian Monaghan will be there to officially open the courts.

We hope any and all in the community can come and support the opening. Make sure you bring along your racquets to have a hit and break in the new courts.

The new lights will be on display as well, so make sure you’re rugged up to see when they’re turned on.

Light refreshments will be supplied and we hope you can all make it to what will be a fantastic afternoon!
Are you interested in a supporting role with a NDIS participant? We are looking for someone to support a younger person with a disability with his home schooling for 2.5 hours twice a week in Ungarie. Days and times are negotiable. Scheduled activities are in place. For further information please contact: Wendy Burdack Jeder Institute Phone: 0438832727 Email: wendy.burdack@jeder.com.au
