## From the Principal's desk...

Last week, Angus Williams, Damian Batty, Jack Wason and Jared Robb all completed a week of work placement at Appiwork in Bathurst. We received some outstanding feedback from the team at Appiwork. They said the boys completed more work in the week than the second year university students usually do. This is not surprising to us, as we know what hard workers these boys are, however it is great to hear it from sources outside the school.

spending time with K/1/2 who were outside playing with the big parachute during PE. She was also impressed with the Year 9/10 Design and Technology students and their projects. Steph was in Ungarie for the opening of the new tennis courts, which are a great resource for the use of our whole community.

This week, Patrick McClintock, Lewis Henley and Tyler Crofts, are playing in the western team at the PSSA State AFL Championships in Sydney. Although they have not been winning their games they should

all be proud of their efforts and the great sportsmanship they have demonstrated over the week. Well done boys!

On Monday we had the pleasure of a visit from our local member for Cootamundra, Steph Cooke. Steph enjoyed spending some time with Year 3/4 who were drawing maps and coding their Ozobots. She also loved

Today we hosted parents and community members for The Biggest Morning Tea, which was organised by Mrs Wilson and our SRC. What a treat it was to have such beautiful coffee, cakes and slices, cooked by staff and students. All funds raised will be donated to the Cancer Council.

We also had our Term 2 assembly today, where we were treated to some fantastic musical items from our students. It was also great to see work from our Year 7/8 Tech and Year 9/10 Visual Art classes. I hope parents and friends enjoyed our assembly and book fair today as much as I did.

Have a great remainder of the week!

Next week, our students have the opportunity to engage in some wonderful learning experiences that are coming to our school.

Monday, 'Circus in a Suitcase' workshops will teach us some of the tricks used by circus entertainers.

Tuesday, Sally Russell will be conducting Science Workshops with each class. Sally makes these workshops highly engaging and incredibly fun for our students. We appreciate the time she gives to our school and in developing such interesting activities. On Thursday, 'Deadly Australians' will be educating us about the dangers of the venomous wildlife that inhabit our suburban backyards, bush, beaches and sea. We may even be lucky enough to see some of these animals.

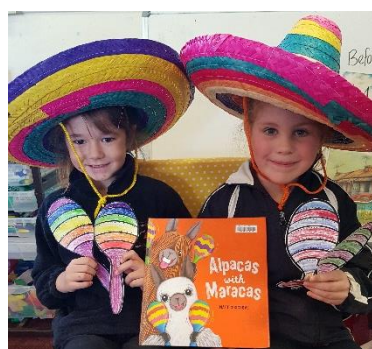

### Year 3/4 Preservice Teacher

## 'HABIT OF MIND' AND SPORT AWARD RECIPIENTS FOR WEEK 4

### SCHOOL HAPPENINGS

Best wishes to Lewis Henley, Patrick McClintock, and Tyler Crofts, playing as members of the Western team competing at the PSSA AFL NSW Carnival in Penshurst from 21st - 23rd May.

Kadee Gerard-Scali, Michelene Izzard, Madi Cassidy and William Batty headed to Sydney from 21<sup>st</sup>-24<sup>th</sup> May with Mrs Cooper on the UNSW Aspire Advantage - Yr 10 Connect excursion. This program focusses on 'connecting ATAR likely' students with a variety of university experiences.

Steph Cooke MP. The Member for Cootamundra was in Ungarie to open the new tennis courts and paid a quick visit to UCS on the afternoon of Monday 20<sup>th</sup> May. Steph was interested in visiting classrooms to see students in action. She willingly participated in some PE activities with K/1/2 using the large parachute. Then a visit to the Yr 3/4 STEM (Science, Technology, Engineering and Maths) lesson saw students teaching Steph and Mrs Payne how to program 'Ozbots' to follow a path.

## PSSA NETBALL

Ungarie travelled to West Wyalong on Thursday 9<sup>th</sup> May, to play against West Wyalong Public School in Round 2 of the PSSA netball knockout. West Wyalong came out blazing in the first quarter. The girls were a little overwhelmed and felt the pressure of a much older and taller side.

Ungarie regrouped and settled in, to play their own game. Rachel, Madi and Hannah worked tirelessly in the centre and on the wing, trying to feed the ball into Caitlin and Lara. The girls worked well together and scored three before the end of the first quarter.

With a few positional changes, the girls worked tirelessly in defence. Lara, Allora, Evie and Lila tried valiantly to stop their opponents whilst Kate and Caitlin were always on their toes in the ring. Even though the girls outscored West Wyalong in the third quarter, Wyalong was just too tall and too strong on the day, winning 29-12.

Congratulations to all the girls. You played exceptionally well but most importantly, you played as a team. Well done. A huge thank you to our cheer squad, Abby Pettit for umpiring, Fiona Bryant for taking spectacular photos and to Jason for driving the bus.

## PSSA TENNIS

On Monday 13<sup>th</sup> May our PSSA tennis team travelled to Blayney to play Millthorpe in the third round of the PSSA tennis knockout. After our early start, the kids were keen to get started on the new courts at Blayney.

The singles were first, with Lewis taking on Jake and Darcy taking on Lawson. Lewis found the going a bit tough against Jake, as he played as number 3 player for Western the week before, so he was quite good! Lew had a good match with him, although the scoreline of 6/2 to Jake doesn't reflect the closeness of the match.

Darcy and Lawson also had a good battle, with Lawson getting over the line 6/4. Our girls, Evie and Hannah, found the going a lot easier, with both our girls recording comfortable 6/0 results. The ease in which our girls won helped our team psychologically, knowing we had an advantage of games won if the result was to be decided on a countback!

The doubles were up next, with Millthorpe boys beating Ungarie boys 6/3, and Ungarie beating Millthorpe in the girls 6/2. So after the singles and doubles, we were all tied up 3 sets all.

Lewis and Evie played a great match against the number one pair, using clever tactics and great teamwork to win 6/2. Darcy and Hannah also played well in their mixed, coming away with a 6/4 win, which meant Ungarie were successful on the day, coming away with a 5 sets to 3 result.

We move into the fourth round to play, ironically, Blayney Public at Ungarie in the coming weeks. Well done team!!!

## PUBLIC EDUCATION FOUNDATION AWARDS

Wednesday night, 15<sup>th</sup> May, the Public Education Foundation celebrated the achievements of students, teachers and principals in public schools across Australia at the annual Proudly Public Awards Ceremony at Sydney Town Hall. Special congratulations to Year 11 student, Angus Williams, who was a recipient of the Trades and Technology Opportunity Scholarship. This is an outstanding achievement, with only two students in NSW public schools selected for this scholarship, and is a reflection of the dedication that Angus shows towards his learning.

Angus was fortunate to be one of the limited number of students invited to The Lord Mayor of Sydney's reception to represent the Public Education Foundation and was also one of the scholarship recipients who was interviewed for the foundation.

## UCS CROSS COUNTRY

## LOWER LACHLAN CROSS COUNTRY

Top: Placegetters, Lewis Henley, Evie Henley, Hannah Wilson, Olivia Rossiter, Tahlia McKay. Top, centre and above: Students going to NSW PSSA Cross Country: Lewis Henley, Olivia Rossiter, Dustin Bryant, Tahlia McKay, Evie Henley, Darcy Cattle, Mitchell Collins, Hannah Wilson, Caitlin Rossiter. Above: Some wet runners: Darcy Cattle, Tyler Crofts, Madi Vinecombe, Jarrod King. Left: Samuel Wilson, Kate Jackson, Ethan Robb, Lila Henley.

On Friday 10<sup>th</sup> May, Ungarie played host to the Lower Lachlan Cross Country Carnival under rather bleak skies. Ungarie had a number of runners who have previously shown good form at this level of competition, so there was an air of anticipation and plenty of nervous energy!

All competitors walked the track, and as the first races got under way, there was a couple of sneaky showers that snuck across the area, making things cold and damp. As a result of this, Mr Cattle pushed the races through a bit faster, so everyone could complete the course and get warm and dry as soon as possible.

Ungarie again had some excellent results across most age groups, which earned us the Handicap trophy for the day, with West Wyalong Public winning the Overall trophy.

These students have made it to the Western trials, which are to be held in Geurie on the 12th of June:

Lewis Henley (1st), Mitchell Collins (6th), Hannah Wilson (3rd), Caitlin Rossiter (5th), Evie Henley (2nd), Darcy Cattle (4th), Olivia Rossiter (1st), Tahlia McKay (3rd) and Dustin Bryant (4th).

Well done to all the students who competed on the day.
