From the Principal's desk...

Last night, our recorder students, Madi Vinecombe, Rachel Ridley, Caitlin Rossiter and Hannah Wilson, performed at the Festival of Instrumental Music at the Sydney Opera House. We thank Mrs Mason for the hard work she has put into the group. Well done girls, what a great opportunity!

Yesterday we held a Wellbeing Day for students in Years 7-10. The boys spent the day with Mr Cattle and Ben, where they spoke about the importance of good hygiene, online safety and positive relationships. They spent time with both Ben and Vicki Sargeant for some fitness. The girls were fortunate to have a session with Sarah Mackenzie, who gave the girls some great skin care tips. They talked to Mrs Cooper about appropriate online behaviour and were able to create some fantastic vision boards with Mrs Jackson. They finished the day with fitness with Vicki and some mindfulness with Miss Parkinson.

Education Week is a statewide, annual event to celebrate NSW public education, which will be held 5-9 August 2019. The week communicates the achievements of public schools, their students and the value of public education.

The theme for 2019 Education Week is **Every student, every voice**. It is a celebration of student empowerment and how the NSW

public education system gives students the skills they need in order to have and express a voice during their own educational journey and as engaged global citizens.

We have a number of events for Education Week next week. On Monday, our recorder students will perform at the opening of Education Week at the Wagga Marketplace. Our school leaders, Damian Batty, Jared Robb, Lew Henley and Josh Batty, will attend the Director Leadership Awards in West Wyalong on Monday where they will each receive an award for their dedication to our school. Seth McCubbin and Jackson Benness will perform at the awards, where they will showcase their musical talent to the other leaders in the West Wyalong area.

Join us for #EdWeek19 on Friday 9th August as we celebrate our students and their power to shape the world. The celebrations will begin at 11.20am, with Open Classrooms in K-6 and secondary work on display in the primary quad. There will be a sheep demonstration by the Year 11 Agriculture students, followed by an assembly in the school hall at 12.20pm. We will finish the day with a sausage sizzle lunch in the bbq area. We look forward to seeing you all here!

Until next week,
Terrie Payne

The simplest way

... to pack a healthy lunch box

The average school child will eat more than 2,500 lunches during their 13 years at school.

Cancer Council's website healthylunchbox.com.au is a one-stop-shop for everything families need to know about packing a healthy lunch box.

Parents will find information on the five food groups, what constitutes a healthy lunch box, sandwich alternatives, sandwich filling ideas, snack ideas, swaps for unhealthy snack foods, recipes and tips. The website features an [interactive healthy lunch box builder](https://healthylunchbox.com.au) where parents can get their kids involved in planning the lunch box and choosing foods they will eat and enjoy.

Don't forget

Scholastic Book fair in the library, all day next Friday 9th August

Dear Parents,

We are delighted to inform you that Ungarie Central School will be participating in the world-renowned ICAS Assessments this year. ICAS is developed by UNSW Global, a wholly owned subsidiary of the University of New South Wales, with over 35 years' experience in educational assessments.

ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science, Writing, Spelling and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition. Every student will receive a certificate and an online result report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to computer-based assessment. This allows greater accessibility for students and faster delivery of results.

Learn more about ICAS here: unsw.global/ICAS

Payment and Permission Information

Your child has the option to sit ICAS Assessments in 2019. ICAS fees can now be paid online. Visit the new online Parent Payment System to make a direct payment to UNSW Global. Online payment will close on **14th August 2019**. Our school's unique access code is: **241cb22a5e**.

SCHOOL HAPPENINGS

On Wednesday 31st July Rachel Ridley, Hannah Wilson, Madi Vinecombe, Caitlin Rossiter performed in the recorder section of the Festival of Music Jacaranda Concert at the Sydney Opera House.

Our numbers were given a boost at the beginning of Term 3 with seven new enrolments! This means we now have 100 students enrolled at UCS, with 58 students in K-6 and 42 in 7-12. Interestingly we now have five sets of twins currently enrolled at UCS, that's 10% of our school population! We wonder if any other school can beat this percentage? Left: Sam and Aimee Jewell, Regan and Audrey Hukins, Lila and Evie Henley, Lachie and Gavin Ward, Nathan and Chelsey Spencer.
