From the Principal's desk...

On Tuesday night, I had the absolute pleasure of attending the Lachlan Access Program Graduation Ceremony in Tullibigeal. I would like to congratulate each of our students for their achievements, with every student from UCS receiving an award. Special congratulations to our Distinguished Achievers award recipients, Seth McCubbin, Jared Robb and Jack Wason. Your hard work and dedication has certainly paid off!

Well done to Seth McCubbin and Jackson Benness who both performed one of their HSC Music pieces in front of the captivated audience. Thank you to Year 11 students Josh Roscarel and Braden Payne who assisted as MC's. We now look forward to our UCS Graduation next Thursday night at the Ungarie Bowling Club.

Today we had the HSC Music markers here to mark Jackson and Seth's HSC Music performances. The boys performed four pieces that they have been working on this year. Well done boys!

Congratulations to those primary students who competed at the Western PSSA Athletics Championships in Dubbo last Friday. It's not an easy feat to make the Lower Lachlan PSSA team so well done for your efforts.

Each year we look forward to receiving feedback from parents expressing your views on your child's experience at school. Please provide your feedback by completing the Partners in Learning Parents survey at <http://nsw.tellthemfromme.com/ungariecs> The survey will close on Friday 25 October.

Last night we held our 2019 UCS Performance Night. There were a variety of performances that entertained the crowd, including dancing, singing, music and drama. Thank you to our dedicated students and teachers for your hard work towards making the night such a huge success.

This week we have children's book illustrator, Ben Wood, visiting our school. All students from K-10 will have the opportunity to attend a session with Ben and learn about his process when illustrating books. Thank you to the Bland Shire Council for organising this each year.

Until next week,
Terrie Payne
