From the Principal's desk...

This week is NAIDOC Week with the theme 'Always Was, Always Will Be'. It's a time to reflect and celebrate the history, culture and achievements of the First Nation peoples – recognising them as the traditional owners of the land. Students will have NAIDOC week themes incorporated into Geography lessons this week. Mrs Bussenschutt also held a NAIDOC Week competition, with students given the opportunity to represent their ideas of the theme.

Yesterday we held one minutes silence for Remembrance Day. Remembrance Day falls on the 11th of November each year. On the 11th hour of the 11th day of the 11th month, a minutes' silence is observed and dedicated to those soldiers, from all wars and conflicts, who died fighting to protect our nation.

Students must attend school every day unless they are unwell or are attending an important appointment. Traditionally, students in the senior years were able to apply for harvest leave to help on the farm over harvest. This is now not the case and if a student is away for work, they will be marked as on unjustified leave. The same applies for students who are away for things such as shopping or holidays.

Years 7-11 enjoyed their Johnathan Thurston Academy Zoom on Tuesday. Students were entertained by JT for an hour with many laughs coming from the rooms. Thank you to Evolution for giving our students this wonderful opportunity.

Swimming season is now upon us. Secondary students are reminded to bring their swimmers, towel and rashie/shirt every Friday for sport. K-6 students will have two weeks of intensive swimming in Weeks 7 and 8. This year, each class will go down together for one hour from Monday to Thursday. This will allow the students to have their usual classes for the remainder of the school day. This year, the school is covering the cost of pool entry. They are also unable to purchase from the pool canteen, therefore students just need to remember to bring their swimming gear each day. No money is required!

Until next week,
Terrie Payne

PBL in the Spotlight

Term 4, Weeks 6-7

Target Behaviour

Inappropriate
Language

Students are expected to speak respectfully to their teachers and peers. This could include not only the words they choose to use in conversation but also their body language, tone of voice, and attitude when speaking to others.

'HABIT OF MIND' AND SPORT AWARD RECIPIENTS FOR WEEK 4

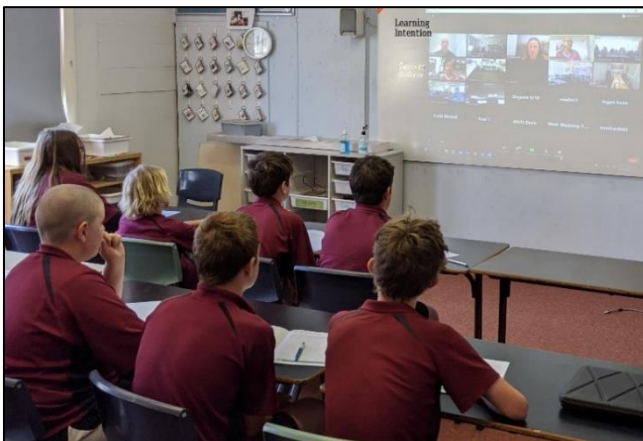

Left: Congratulations to our PBL 'Fast and Free' prize winners for Weeks 3 and 4. Hugh Williams, Lachie Ward, Audrey Hukins, Sam McClintock and Eva McCubbin.

SCHOOL HAPPENINGS

Above: 10 Habit of Mind Certificates – Alfred McCubbin, Joshua Batty, Linden Olsen-O'Connor, Eva McCubbin, Laci Mayall, Michelene Izzard, Shay-Lee Crofts, Tom Roscarel, Nicholas Batty, Sam McClintock, Jack Douglas, Samantha Spencer, Owen Jackson, Jett Woodward. Top: K/1 Home Reader Awards. 20 Habit of Mind Certificates – Hannah Wilson and Isla Rossiter. 30 Habit of Mind Certificates – Ella Payne.

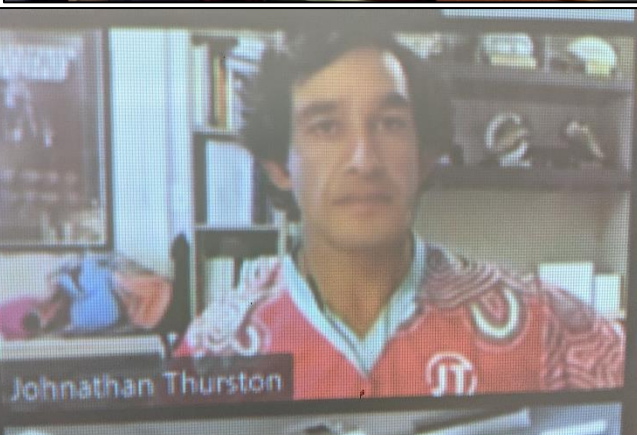

Left: On Tuesday 10th of November, students in Years 7 to 11 were lucky enough to join a Zoom meeting with one of the best NRL players of all time - Johnathan Thurston.

As part of a group of local schools, 'JT' talked about his early journey through life, the challenges he has faced, the importance of mental wellbeing, and the importance of recognising your own strengths and 'awesomeness'.

Students were also fortunate enough to ask direct questions to JT and listen to him discuss some of the huge moments in his football career, including State of Origin victories and the Grand Final drama of 2015.

This was a fantastic opportunity for all students which will no doubt have flow in effects to our own wellbeing programs here at school.

Right: The bees at 'Humbug Creek Honey' have been very busy this week. Here is Mrs Jackson checking the honey production.

Meet Dave

David Jear gives us an introduction update from the Sales desk.....

Back in June, my wife Tracey and I made the decision to leave our waterfront unit in Brisbane and move to renovate the old Anglican church in Ungarie. Everyone we came across kept on asking us the same question; "what the hell made you make the decision to move to Ungarie!" Well I can say that we are happy with the move and being able to work at WWMC has been the icing on the cake.

I had no real concept of what a farmer did! From a city slickers perspective; you chuck some seed in the ground, it grows, you cut it and then you harvest it. Simple hey? You might even have some livestock that you tend to. How that perspective of mine has changed. It has been a pleasure to get out and meet the farmers that reside in the 2668, 2669 & 2671 postcodes. To listen and understand what you do, how you do it. To get an appreciation for the passion you put into your work and to be honest, at the start of each season; you go into it and have to expend a large amount of capital in the hope that the year turns out like this year is turning out. I take my hat off to you!

In the three months I have worked selling New Holland and allied products for WWMC, it has certainly been a busy time. If you have driven by our yard recently, you would have noticed: T9.560 Dual Wheel Tractor, T8.320 Tractor, K-Line Powerflex 12.5Metre, Miller Nitro Sprayers x 2, Grainline Augers the great thing about the above units is THEY ARE SOLD! Farmers have put their trust in the team at WWMC not only to sell a new machine, but to supply their parts and servicing needs. This "partnership" is our point of difference. I use a saying in my email signature which I stand by. It says; " My business is built on referrals. The greatest compliment I can receive is a referral from my clients!"

We have a lot more equipment coming in to our yard in the next few months; some sold and some for sale. These include: Croplands Rogator Self Propelled Sprayer, Miller Self Propelled Sprayers (Used x 2), Steiger Tractor with low hours (Used), T9.560 Tractor, T9.615HD Tractor, T7.315AC Tractor, TH.742L Tractor, T6.050 Tractor, K-Line 9.5 Metre Power Flex, K-Line 12.5 Metre Power Flex, Croplands Pegasus 6000 Litre Sprayer, Croplands Pinto 4000 Litre Sprayer

The other positive that working for a company like WWMC brings is that we are part of a group known as AEH Group. This brings access to additional resource, increased buying power and additional inventory which ensures that effectively we can cover your needs.

My goal for 2021 is to become your strategic business partner; one who is prepared to listen to your needs and desires and will work with you to achieve your goals. I will continue to visit properties and understand more about what you do, what you use, what you like and what you don't like. Its not about money to us; its about providing you with a real partner; one who will look after you and give you the service you deserve.

West Wyalong Machinery Centre - 6972 1057
226 Neeld St, West Wyalong
