From the Principal's desk...

The end of school planning is in full swing, with Semester Two reports and the annual Harvester magazine well underway. We definitely have some busy weeks ahead for both staff and students.

Next week, Year 9/10 will go out on their first week of work experience. Due to COVID-19 restrictions, the students were unable to go out earlier this year as they usually would. We have students going to a variety of places including day care, preschool, retail, gardening, gym, metal fabrication, florist, physiotherapy and the pool. Students are reminded to dress appropriately for the work they will be undertaking. We hope our students enjoy their week and know they will represent our school and themselves with pride.

Next week, our Year 12 students are off to Condobolin High School for their first Year 12 study days. Students will finally be able to see their fellow LAP classmates and teachers in person, after the days were cancelled for Terms 2 and 3.

Thank you to staff member, Mrs Wilson, for stepping up to teach the Year 2/3/4 class for the remainder of the year. We were unable to find a suitable teacher from outside our school, therefore we have made some changes

to Mrs Wilson's regular timetable to enable her to teach the class. We know the students and parents will be relieved to have a regular teacher in place for the class.

Our school presentation will now be held during the morning on Tuesday 8 December. With the restrictions that are still in place due to COVID-19 it has been difficult to find a venue that would accommodate all students, staff and parents, following the 4m² per person rule for adults. Holding separate presentations at different times is not an option that would work for our school, nor is holding the event outside on the oval with the summer heat. Therefore, we have made the difficult decision to only have students and staff at the Presentation Day. The presentation will be recorded and uploaded to Facebook on the same day, with parents also having the option to send in a USB to have the video uploaded onto. We will take many photos and make the day as special as we can for our students. Even though this is not an ideal situation, we know you will understand. Hopefully we will be back to normal for 2021.

Until next week,
Terrie Payne

Super Spellers

K/1: Quin and Isla

2/3/4: Thompson, Samuel, Dustin, Owen, Sam, Brogan, Alaura, and Kodi.

5/6: Rachel, Laci, Lila, Eva, Caitlin, Hannah, Evie, Ella, Darcy and Tyler.

Intensive Swimming

Intensive Swimming will begin Monday 23rd November for two weeks. Students will be going down to the pool in class groups. Please ensure their clothing, towels and drink bottles are clearly labelled. They will be heading down as follows:

Period 3 – K/1

Period 4 – 2/3/4

Period 5 – 5/6

GOODLUCK!

Tomorrow some of our Year 5 students will be delivering their School Captain speeches. We wish them all the best. Standing in front of the entire school can be a daunting prospect and the nominees are to be congratulated on their wish to represent their peers.

What you do has far greater
impact than what you say.

DRIVER EDUCATION TRAINING PROGRAM - WITH JANENE RICHARDS

Ungarie Central School students close to the age of 16 or over have again been able to participate in the driver-training program run at school. The Licence program provides students with access to industry accredited instruction at a minimal cost. It also gives them lifelong driving skills, which will both assist with making responsible road users as well as making students more work ready. The aim is to help students become driver ready for their Provisional (P)test.

The driver trainer program also assists students with all aspects of driving and help towards completing the compulsory 120 hours log book driver practice required by the student to obtain their Ps. The lessons are provided during school hours and cover all aspects of driver training such as all the internal aspects of the car, multi-point turn, hill start, reverse parking, parallel parking, approaching roundabouts, open road driving and many more.

Throughout 2020 Jack Wells and Tom Roscarel have gained their 'P Plates', Willam Batty, Kadee Gerhard-Scali, Michelene Izzard, Rachel Spencer, Abby Wason and Jye Hoskinson have practiced driving on their 'L Plates' and Jack Crofts, Jett Brew and Regan and Audrey Hukins have been working towards gaining their 'L's'.

Janene Richards from Condobolin, who is a fully qualified driving instructor brings her fully equipped dual-control, manual transmission vehicle for students to use. A big thank you to Janene for her patience and assistance with the driver education program.
