From the Principal's desk...

It was lovely to return to school with green lawns after some welcome rain. We were fortunate to have some good falls last week and we hope it continues over the coming months!

Although some rain has fallen, the impact of the drought continues. As a school, we have made the decision to support all families by waiving **all** voluntary school contributions and subject fees for 2020.

After the storm almost two weeks ago, we were left without internet. We had hoped that it would be fixed quickly however that was not the case. In good news, Telstra were at school today and we now have internet up and running. It makes you wonder how we coped in the past when there was no internet because we rely on it so much now, even to print our newsletter!

We held our swimming carnival last Monday and were fortunate to finish without rain. It looked ominous at times however we were lucky that the storm went around us. Attendance and participation was high on the day, which was fantastic. Congratulations to our age champions and to Wilga, the winning house.

The Lower Lachlan swimming carnival will be held tomorrow in Lake Cargelligo. Good luck

to those students who are competing.

Our Year 12 students have been attending the LAP HSC study days in Condobolin from Tuesday to Thursday this week. This has been a chance for them to catch up with new teachers and work with their entire class.

UCS YUM returned last week with students excited to be back in the kitchen and garden. I know the community members were eager to have their weekly deliveries start again after our holiday break. Remember, student orders are due to the front office on Tuesday mornings.

We now have Best Start assessments for both Kindergarten and Year 7. Mrs Atkins completed Kindergarten Best Start this week and Mrs Cooper will complete the Year 7 Best Start, which is a computer test, asap with the internet now working. These assessments help us to see where your child is at with their learning when they begin school and high school.

As our Sentral system has been offline without internet, student absentee messages have not been sent out. Please ensure you send in a note to explain why your child was away, within seven days of the absence.

Until next week,
Terrie Payne

P&C AGM

**Monday 24th Feb @ 2pm
in School Staffroom**

We are hoping to see a lot of new faces who are willing to take on a role so we can continue to support our students.

If we cannot fill executive roles, we will be forced to no longer have a P&C committee. We really don't want this outcome, so please come along and have your say.

Lower Lachlan Swimming Carnival

Students attending the LLSC being held at Lake Cargelligo tomorrow need to meet Mr Cattle at the pool at 9:20am to have your name signed off the roll. Good luck to all those competing.

Toyota Dream Car Art Contest

Those students that were interested in creating their dream car for the Toyota Dream Car Art Contest are reminded that your entries are due to Mrs Atkins by Friday 28th of February. For more information you can visit the following website: toyota.com.au/dreamcar

Students from K-10 will be involved in Clean Up Australia Day next Friday, 28th of February. If you have some gloves you could bring, please do. We will be cleaning up the school grounds, football oval, across into the reserve and along the creek.

PSSA AFL Gala Day

Boys and girls in Years 4/5/6 that are attending the AFL Gala day being held at McAlister oval, West Wyalong, on Tuesday the 3rd of March will be departing school after rolls have been marked. All the best to the teams that have been entered.

Year 5/6 Leadership Project

As part of their Leadership Project, Year 5/6 are collecting pieces of old scrap metal to create sculptures for the garden areas around our school. If anyone has any bits of metal (NOT dangerously sharp) laying around their homes they'd like to donate, please bring them into Mrs James. We would appreciate any donations made.

NSW CENTRAL SCHOOLS CRICKET KNOCKOUT

Back row: Steve Henley (parent), Pat Roscarel (parent), Tom Roscarel, Mr Pip Cattle (Coach), Jack Crofts, Patrick McClintock. Front row: Harry Roscarel, Angus Williams, Braden Payne, Josh Roscarel, William Batty, Lewis Henley, Hugh Williams, Mitchell Collins.

On Wednesday 11th of December, the Ungarie Secondary cricket team travelled to Dubbo to compete in the finals of the NSW Central Schools Cricket Knockout. We were up against Tooleybuc Central, a school of 100 students (like Ungarie), located on the border of NSW and Victoria (9 hours drive from Dubbo!) Captain Josh Roscarel won the toss and elected to bowl first, which caused a few eyebrows to be raised. Mr Cattle was raised on the mantra of 95% of the time you bat first, the other 5% you think about it, then you bat first! Anyhow, Tooleybuc were batting first, and the carnage started in the very first over, with Josh bowling with good heat removing an opener from Tooleybuc when he nicked through to wicketkeeper Harry who bumped the ball onto first slip (Tom) for the catch. 1/0!

Not to be outdone by his older brother, Tom Roscarel opened from the other end, and he too got a wicket off the last ball of his first over to have Tooleybuc reeling at 2/2. The steady stream of wickets continued to flow...3/6, 4/9, 5/11, 6/16 etc until Tooleybuc were all out for a paltry 41. Mr Cattle actually conceded that sending them in probably turned out ok! Josh ended up with 4/10 off 7 hostile overs. The rest of the wickets were shared around by the other bowlers. Tom, Lewis, Hugh, Patrick, Angus and Will all got one each, with the enthusiastic Braden the only bowler to miss out on a wicket. An indication of how dominant Ungarie was, was the fact that top score for Tooleybuc was 10 wides!

In his wisdom, captain Josh decided to reverse the batting order, a practice sometimes fraught with danger! Youngsters Patrick and Mitchell opened up for Ungarie, and boy were they nervous! Patrick faced up to the first ball, got some bat on it and just ran! Poor Mitchell was run out by 2/3 of a pitch length. Oh dear, 1/0! Like Tooleybuc, we lost a steady stream of wickets, 2/5, 3/5, 4/9, 5/9!! The support crew for our side, Steve Henley and Pat Roscarel, were getting a little nervous, as was Mr Cattle watching the carnage while umpiring. By this stage, Tooleybuc were very excited. Tom Roscarel sauntered in and went bang, bang, bang...bang, smashing boundaries to all parts of the ground! Unfortunately Tom went for one too many boundaries and was out for a rapid yet entertaining 21, with the score on 35. Ungarie was breathing a lot easier by this stage, with Josh and Lewis polishing off the required runs. Ungarie into the final!!

As the game was over very early, we went and had a look at the possible opposition for the final on the ground adjacent. Boorowa Central was playing Gulargambone Central. We watched for a while, then we started getting hungry

so went to Orana Mall for supplies. The afternoon was spent having a nice swim, going ten pin bowling and out to dinner to a nice Thai restaurant for those who were game! Back at the caravan park, our cricketers got to bed reasonably early, ready for a big day ahead.

Turns out Boorowa was our opposition in the final, after they beat Gulargambone quite comfortably. Boorowa won the toss and elected to bat first, so we were in the field.

Josh and Tom opened the bowling again, but didn't have it all their own way this time. Boorowa openers were being stubborn, however one of them was copping it from Tom over and over. He got hit repeatedly on the thigh, calf, foot, arm. Talk about taking one for the team! It wasn't until the 7th over until the breakthrough came, when Josh had one of the openers caught behind by Harry for 3. 1/8. Runs continued to trickle in for Boorowa, but they mostly kept their wickets intact to be 3/44 at the drinks break after 20 overs, with their captain looking in ominous form.

Josh and Harry swapped the wicketkeeping duties at the drinks break, so Harry could have a bowl. With the sage advice from Steve Henley ringing in his ears ("Josh...donkey-drops get wickets too you know?!?"), captain Josh gave the ball to Harry, requesting him to bowl some spin. After his first over went for 8 runs, Josh went up to his little brother and offered him some of his own advice "For God sake Harry, make them hit the pitch!". His second over proved even more expensive, as Boorowa's captain started teeing off a little, whacking Harry for a boundary and a couple of twos. Josh was seen shaking his head profusely at his brothers form, although his mood lightened when Harry had the captain caught by Tom for a well compiled 27. Harry had bowled 2 overs, 1/17. Josh decided to give him one more over, which turned out to be a good idea. Harry ended up getting five more wickets in his next 11 balls (including 4 off 4 balls for a double hat trick), to finish with the handy figures of 6/19 off 4 overs. Josh got 2/9 off 6 and Hugh got one wicket off his 3 overs. Josh and Tom both complained that Harry was a bit expensive with his overs! Boorowa were all out for 81 in the 26th over.

Boorowa were up and about at the start of Ungarie's innings, as they saw us struggle early against Tooleybuc the day before. Their talk was up, clapping every dot ball, and oohing and aahing at every chance. Tom and Harry Roscarel opened the batting for Ungarie, and immediately set to work dismantling their attack. Tom especially was under strict instructions from Mr Cattle to "bat with an old head on a young body", meaning to bat within himself and with restraint (not something that comes easily to Tom!). To his credit, Tom batted with great purpose and intent, while looking like a sheep dog straining to get off it's chain ready for a run! Harry meanwhile was compiling his runs effortlessly, never looking like getting out. The more runs Ungarie got, the less chat and enthusiasm was present from their opponents.

In the 14th over of Ungarie's innings, they passed Boorowa's score without losing a wicket, with Tom unbeaten on 44 and Harry making a stylish 25.

The team were presented with medallions for becoming the Central School Knockout champions, which is a fantastic effort from a school with less than 40 students in secondary! Great job team!!

After beautiful rain over the weekend, Monday 10th February dawned clear and partly sunny for our annual swimming carnival. With clouds on the horizon and the prediction of more rain later in the day the decision was made to run the carnival for students 8 years and older and younger students to remain at school. With only a very light shower that caused the recording table to move indoors the carnival was successfully completed in record time. Congratulations to all students who participated in races for their sportsmanship and positive attitude.
