Around the school...

Welcome back for Term 4! We hope everyone was able to have some relaxation time in the holidays after a hectic Term 3.

It was great to see all the students return to school on Tuesday. We are still under Level 3 restrictions and remind all students in Year 7 and above that face masks are mandatory inside and are recommended outdoors. We are still unable to have visitors at school, so parents are reminded to drop off and pick up students from the front gate and to call the front office if they need to talk to any staff members. The current guidelines can be found at the following link: <https://education.nsw.gov.au/covid-19/advice-for-families>

We are excited that our Little Humbugs Kindergarten Transition Program can restart next week. Parents can drop students at the front gate at 9am, where Mrs Tait will be waiting to take the students to the classroom. Mrs Tait will also take the students back to the gate for pick up at the end of the session.

Our Year 12 students returned this week so they could take part in the usual fun end of

Year 12 activities. Students and teachers have enjoyed seeing their dress ups this week, with princesses, elderly people and superheroes arriving at school each day. We hope they enjoy their final day of school tomorrow.

Congratulations to Mrs Atkins who was successful in gaining a transfer to Red Hill Public School in Wagga for 2022. Mrs Atkins is an integral part of our school and we will miss her next year. We will advertise for a new permanent AP for 2022 in the next couple of weeks.

With the current restrictions at school we have made the difficult decision to cancel our 2021 School Performance. This is disappointing as our students enjoy showing off their artistic talents to our community. We are hoping to hold both a Performance and Art Exhibition in 2022.

We have also decided to postpone our 2021 Year 5/6 Canberra excursion. Instead, we have planned an excursion to Canberra next year in March for Years 6-8 as they have all missed out on the Canberra excursion in 2020 and 2021. A note will be sent home soon with more information. We are also hoping to hold an excursion for Years 9-12 next year.

Until next week
Terrie Payne

ADAPTING TO THE "NEW NORMAL"

Wednesday
20 October

10.30am

Speaker:
Patricia Brown

This seminar is for people concerned about uncertainty and what lies ahead. It will explain simple strategies to help manage change and adapt to the "new normal".

Patricia Brown is a grief specialist who lost her son to suicide in 1995. When profound grief resulted in the disintegration of her family and financial ruin, she was compelled to find a new way of doing life.

She tells her story of restoring meaning, vision and purpose in her book **RECOVERY: Learning to Love and Live after Loss**

Patricia has co-facilitated healing grief retreats, offers personal Grief Coaching and speaks regularly to bereavement support groups.

Anxiety, grief and loss have been heightened by COVID-19. Patricia will provide insights to support emotional wellbeing and coping skills as we move into 2022.
