Around the school...

Last night I had the absolute pleasure of attending the Year 12 graduation dinner in West Wyalong. The girls all looked stunning in their formal dresses and Will scrubbed up well too! Thank you to Mrs Cooper and Miss Parkinson for their organisation of the night. We wish Prue, Kadee, Will, Michelene and Rachel all the very best for the future. With their resilience and determination they are certain to succeed in whatever path they choose.

Yesterday we held our end of year Presentation Day. Although parents and other family members were unable to attend, we hope you were able to feel a part of the day by watching the live stream at home. It was a little glitchy at times however the recording of the presentation is also now available at the link sent via School Stream. Well done to those

students who achieved awards yesterday. All students are to be congratulated on their positive behaviour throughout the presentation, showing respect for their classmates as they received awards.

In exciting staffing news, we have a new member of staff for 2022. Miss Bronte Hewes will be our K/1/2 teacher next year, with the support of Miss Johnston in Term 1. Miss Hewes joins us from the Port Macquarie area and is looking forward to teaching rural. Mrs James will be relieving in the role of Assistant Principal and Year 5/6 teacher for Term 1, until we are able to appoint a permanent Assistant Principal.

I know all of our school community will join me in sending best wishes to Miss Stephanie Clark, our Year 3/4 teacher, who is getting married this weekend. We are so happy that Miss Clark is finally able to have her wedding after it was postponed due to covid restrictions!

With one week of school remaining, it is important that students maintain their regular attendance.

One more week!

Until next week

Gratitude

Paying attention to what I have.

Empathy

Understanding how other people feel.

Mindfulness

Being calm and present at any given moment.

Emotional Literacy

Labelling my emotions.

K/1/2

Over the last few weeks K/1/2 have been looking at ways to bounce back in situations that are hard or unexpected. We have been looking at the different types of emotions and that it is okay to feel different emotions during our lives. We have been having many discussions about how other people may be feeling in different situations. We have practiced difficult scenarios and ways of dealing with our emotions in an appropriate way.

EMOTIONAL LITERACY

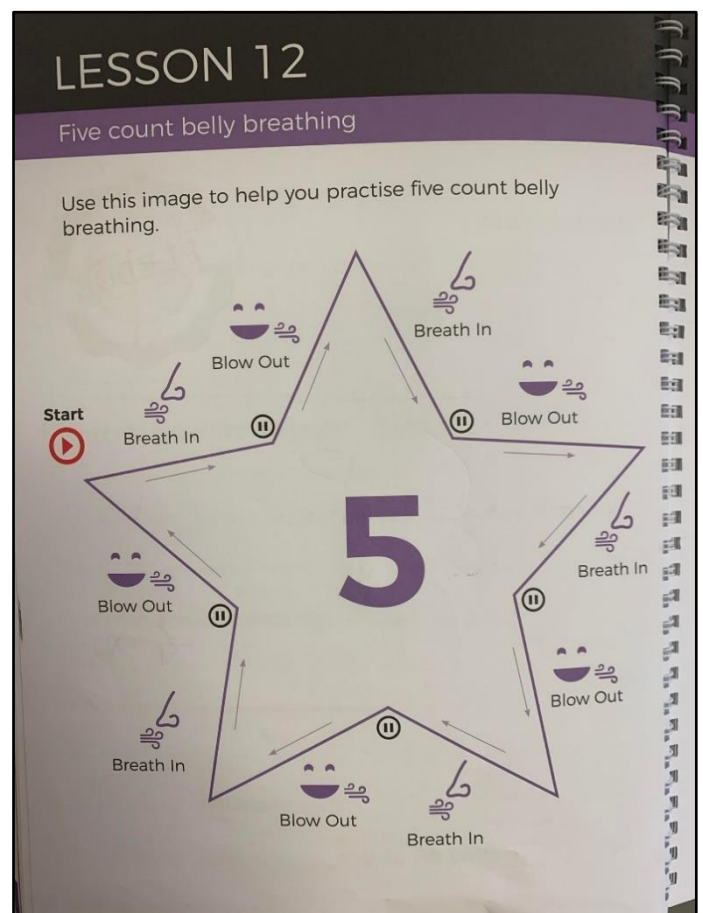

Activity 3: Bounce Back Reaction

3/4

While studying Mindfulness, 3/4 have learnt the 'Five count belly breathing' technique. This can be used whenever they are experiencing a range of emotions to recentre themselves.

7/8

The students in 7/8 completed a Mindfulness and Self-Talk lesson. The intention of the lesson was to make students aware of their own self-talk and develop strategies to change negative into positive. At the end of the lesson students looked at Daily Affirmations and came up with three that related to them.
