

## From the Principal's desk ...

Our Year 5/6 students have had a great week in Canberra and will return this afternoon. They've enjoyed visiting places such as Questacon, The Australian Institute of Sport, The Australian War Memorial and many more. A big thank you to Ms Morgan and Mr Cattle for supervising the excursion. We send our best wishes to Linden who is recovering after an injury on the excursion.

Years 7 and 8 started their Term 4 Check-in Assessments this week. The assessment supplements existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs.

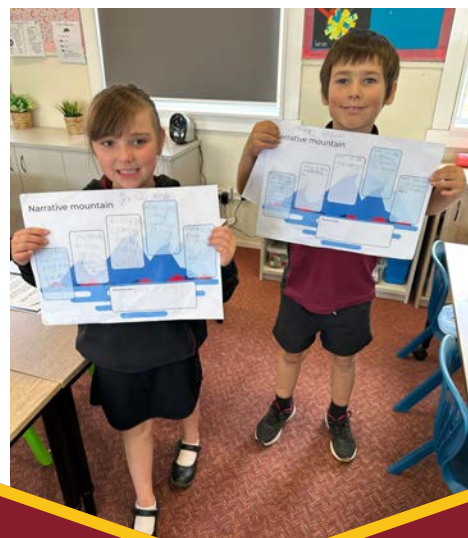

At our assembly tomorrow we have our fortnightly attendance draw for students who have attended school for at least 95% of the time. Remember, students must be at school for the morning assembly to be eligible for the prize.

We still don't have a working kitchen at school which is making it difficult to run practical Food Technology classes. Thank you to the Ungarie Hall committee who have allowed Mrs Ward to use the hall kitchen with the Year 9/10 Food Tech class when needed. There has been an issue with the supply of ovens for our kitchen which we are hoping is resolved very soon! I know our primary students are keen to get back into the kitchen for UCS Yum.

Congratulations to our Year 12 students, Hugh, Ella, Hayley and Kasey who have all completed their HSC exams. We wish you all the best for the future and look forward to seeing where life takes you.

Well done and thank you to our P&C who held a successful Halloween Disco on Friday night. From all reports, the students had a fantastic night!

Until next week  
Terrie Payne

## Spotlight

**Well done to K/1/2 who were the class with the highest attendance rate this week! Their attendance rate was 91.33%, closely followed by Year 8 with 91.09%.**

**Our whole school attendance rate this week was 88.5%. Interestingly, at the same time in 2020, it was 92.71% so we have seen a big drop since 2020.**

## NSWPSSA ATHLETICS CARNIVAL

A huge congratulations to Lincon Bryant who competed at the NSWPSSA Athletics Championships in Sydney on Wednesday 25th October.

After a year comprising of 3 firsts in 11 yrs boy High Jump (UCS, Lower Lachlan and Western), 1 record and a PB of 145cm at UCS (previous record: Jamie Grintell 134cm 1989), Lincon finished 25th in the state.

Unlike many of his competitors, Lincon doesn't have a high jump coach or regular training. His natural ability in the sport is impressive.

Well done Lincon!

## CENTRAL SCHOOLS CRICKET KNOCKOUT

Our Secondary cricket team travelled to Condobolin on Friday 27th October, to play Trundle Central in the Central Schools Cricket Knockout.

Trundle won the toss and sent in Ungarie in a surprising move. The tactic paid immediate dividends, with Ethan removed in the second over without troubling the scorers. This brought Harry to the crease, and he set about resurrecting Ungarie's innings after a shaky start. Tyler was out in the fifth over, with Patrick falling soon after with the score on 25 for 3. Darcy joined his captain who was looking solid with the carnage happening all around him. Harry and Darcy combined for a terrific partnership of 99, with Harry batting really well by hitting the bad balls for runs while protecting his much younger teammate from the bulk of the bowling. When Darcy eventually fell for a well-played 13 in the 27th over, Ungarie's position was a much healthier 4/124. Harry brought up his 100 not long after, which his teammates were completely oblivious to!! Harry was dismissed for a fantastic captains knock of 116, which started a bit of a clatter of wickets for Ungarie, to be all out for a respectable 164.

Trundle's innings started well, with their openers putting on 52 before Darcy removed the first wicket with a nice inswinger in the 14th over. Darcy picked up another wicket in his next over, however Trundle's captain was replicating Harry's heroics for his team, smashing the ball to the boundary on a regular basis. When he eventually fell for a great knock of 85, the score was 142 for 3. Ungarie had a slight chance of victory, and when Patrick picked up a wicket, Trundle started looking nervous! With Darcy getting another 2 wickets, and Harry getting two of his own, Trundle were suddenly 8/159...6 runs shy of the target. They held their nerve to get the job done, so the game turned out to be really close and exciting. A pleasing side note to the game was the umpire came over after the game to congratulate Ungarie on their outstanding sportsmanship displayed to each other and the opposition.

Bad luck boys....a great effort. Nearly got there!

## STUDENT NEWS

Stage 5, Industrial Technology students, constructed step ladders during Term 3. They each had the opportunity to include a laser engraved design on the top step. Above: Lachie Ward, Daniel Spencer, Joshua Batty, Patrick McClintock, Ethan Robb and Mitchell Collins.

K/1/2 students have been planting potatoes and harvesting beetroot in their UCS Yum time.

# Year 9/10 Textiles

## UPCYCLING .....

How can this sustainable method of fashion design help the environment?

In Australia there are 6000kgs (6 tonnes) of discarded textiles products dumped to landfill every 10 minutes. This does not include the items donated to charity!

6000 kgs  
= 6 tonnes,  
every 10  
minutes!

The evening dress that Gavin Ward found in his mum's wardrobe was remodelled into a 'Red Riding Hood' inspired design.

Chelsea Nielsen used a denim jacket found at home and a 'hand-me-down' lace dress to create this artistically beaded vintage style jacket.

In Term 3, Yr 9/10 Textiles completed an interesting unit of work on textiles and their impact of the enviroment. They studied production, construction and reduction.

Kate Jackson's \$2 pants from Ungarie Preloved were unpicked and rejoined into fabric pieces to create this amazing top.

# TODD WOODBRIDGE CUP

On Thursday 14 September, Year 3/4 travelled to the West Wyalong Tennis Courts to participate in the Todd Woodbridge Cup. Students were split into teams and were able to play against different teams from other schools. The students had fun using their tennis skills that they have been practicing for sport with Mr Cattle. All students played their best and displayed great sportsmanship toward the other teams.

# THE RESILIENCE PROJECT™

## Term 4 week 4 K/1/2

As part of our Empathy unit in The Resilience Project, K/1/2 played games made by Allora and Gavin, that encouraged us to take notice of each other and work as a team.

We also made pipe cleaner and foil people to show different emotions with their bodies.

**Gratitude**

Praying attention to what I have.

**Mindfulness**

Being calm and present at any given moment.

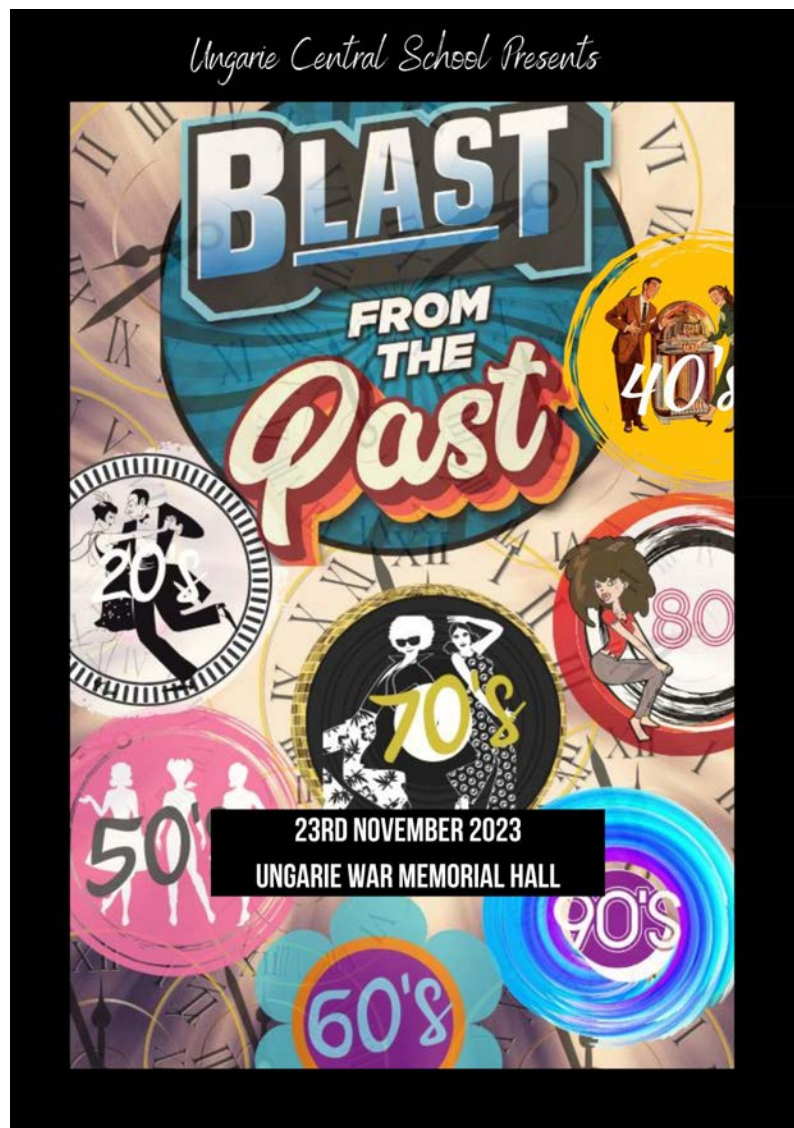

**Empathy**

Understanding how other people feel.

**Emotional Literacy**

Labelling my emotions.
