

From the Principal's desk ...

What a busy week this has been! Our students have been busy practicing for our 2023 School Performance Night. Today they are doing a dress rehearsal at the hall before the show opens at 6.30pm tonight. I've been able to watch some of the acts and I can tell you you're in for a treat! Thank you to the staff who have spent so much time preparing our students for the performance and thank you to the students for all of your hard work in learning dances and songs.

I had the pleasure of attending our Little Humbugs graduation on Tuesday. They each received a graduation certificate and a book to mark the end of the program. We've enjoyed seeing and hearing them around the school during the transition program and look forward to seeing them back at school next year.

On Friday we had a visit from Annette St Clair, who set up the Amie St Clair Trust after her daughter Amie passed away from melanoma. It was a powerful reminder about the importance of sun safety and being vigilant in checking our skin regularly.

Intensive Swimming will begin next week for students in K-4. Please check the note on the Parent Portal for more information about what students need to bring each day.

Academic Reports are currently being completed and will go home on Tuesday 12th December. If you'd like to speak to your child's teachers before or after the reports go home, please contact the school office to make an appointment.

Although yearly exams and assessments have been completed it does not mean that the learning has stopped. Too often we see families letting their children stay at home towards the end of the year because they think that nothing is happening and this is not the case.

Attendance Matters!

Until next week
Terrie Payne

PBL

Well done to Ryan Kelly, Shay-Lee Crofts and Tyler Crofts for reaching their 'Hardworking Humbug' level, with 10 'Humbug High Fives'. Congratulations to Taylah Ward, Lincon Bryant, Eva McCubbin and Samantha Spencer (below) who received their 'Hotshot Humbug' award for 20 'Humbug High Fives' and a special mention to Tahlia McKay and Ella Burley (above right) who have received their 'Humbug Hero' award, for 30 'Humbug High Fives'.

YEAR 7/8 SCIENCE

In Science on Monday 28th August, Year 7/8 conducted their final dissection activity - sheep kidneys, related to learning about the functions of different body systems in their study of living things. Students viewed a video that outlined some structures to look for, and then conducted their dissection.

Melanoma Awareness

On Friday 17th November, UCS had a special visitor come and talk to students from the Amie St Clair Melanoma Trust. Annette St Clair (nee Kelly, who went to school at UCS) gave a very informative talk about the dangers of excessive sun exposure, and the importance of sunscreen use, broad-brimmed hats and regular skin check-ups. Annette's daughter Amie unfortunately passed away from melanoma a day after her 23rd birthday.

5 WAYS TO PROTECT YOURSELF FROM THE SUN

-  1. Seek shade, especially in the hottest part of the day.
-  2. Wear sun-protective clothing that covers your back, shoulders, arms and legs.
-  3. Wear a broad-brimmed hat.
-  4. Apply a broad-spectrum SPF 50+ sunscreen every 2 hours and after swimming or exercise.
-  5. Wear wrap-around sunglasses.

Stage 5 Food Technology

During Term 4, Stage 5 Food Technology students have been studying 'Food for Special Occasions'. As a part of the unit students had to select a special occasion and prepare a party planning folio that outlined the theme, venue, decorations, menu and cake design among other things. Students then had to bake the cake and decorate with their chosen design.
