Jayda Brew, Ryan Kelly, Bailey Margery, Reuben West and Harry Roscarel.

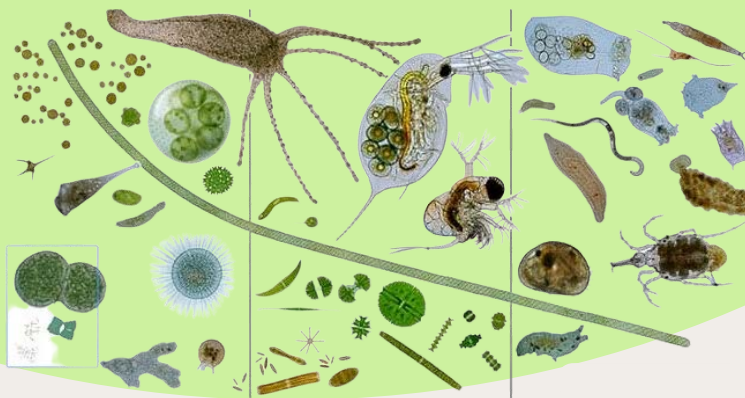

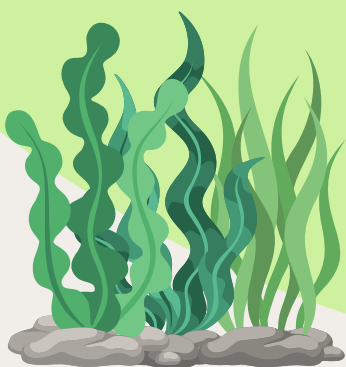

Yr 5/6 'Sweet Caroline' 60's

YEAR 5/6 SCIENCE

ADAPTATIONS OF PLANTS AND ANIMALS

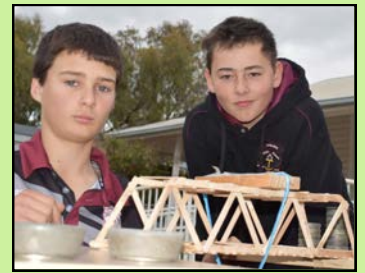

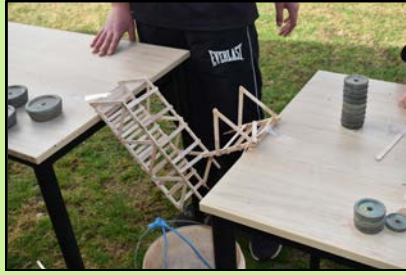

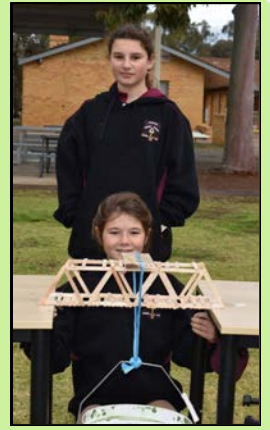

Students in Year 5 and 6 have been investigating the physical and behavioural adaptations of plants and animals. They enjoyed using the microscopes to study aquatic microfauna with Sally Russell.

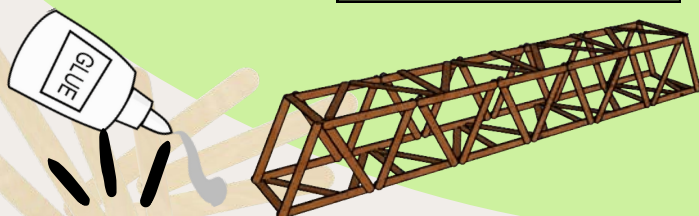

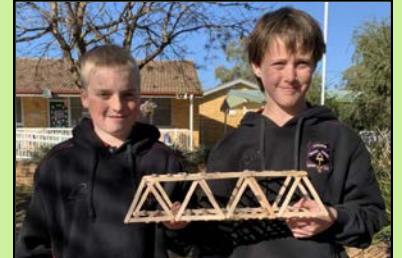

YEAR 5/6 SCIENCE

BUILDING BRIDGES

Students investigated the effect of a bridge design on the weight bearing capacity. They worked in pairs to build three different types of bridge designs including an arch, truss or plank. The bridges were constructed using paddle pop sticks and wood glue. All students were excited to test their designs by adding weights to a bucket suspended underneath each bridge.

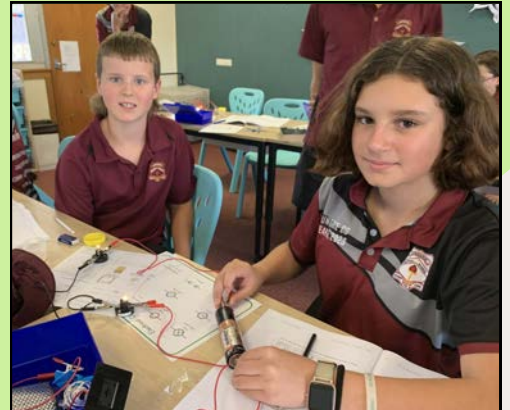

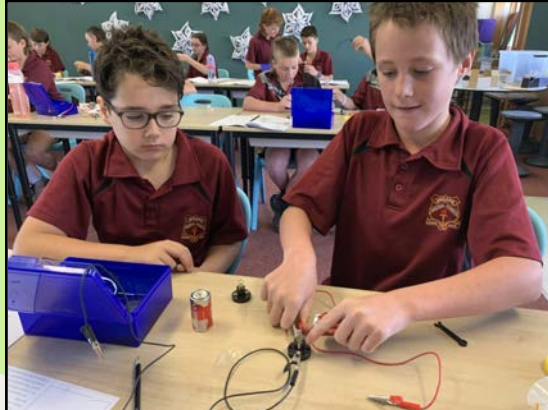

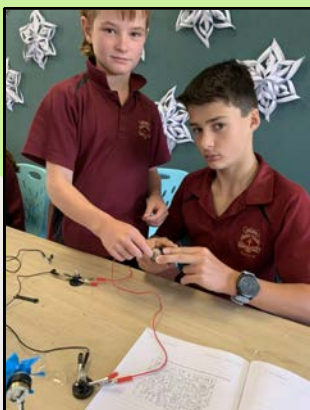

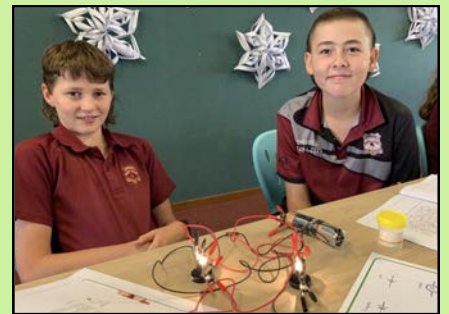

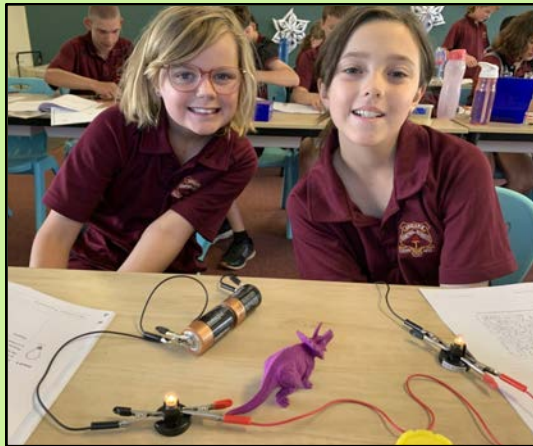

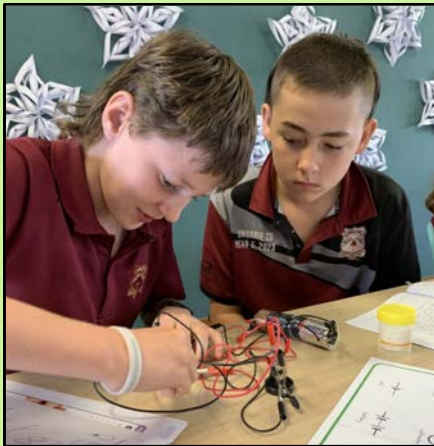

YEAR 5/6 SCIENCE

DIFFERENT FORMS OF ENERGY

Students also learnt about different forms of energy and how they can be transferred and transformed. They enjoyed making solar cars with Sally Russell and racing them across the basketball court. The students also enjoyed the challenge of creating various circuits using batteries, bulbs, wire and switches.

NSWCHS CRICKET

In Week 4 of Term 4, Harry Roscarel travelled to Sydney to participate in the NSWCHS Cricket Carnival which was played over four days at the Raby Sports Complex. Earlier in Term 3, Harry tried out for and was selected as part of the Western Region team for which he was elected captain. The Lachlan Access program had three students selected as part of the team, Harry from UCS, Blake Dillon from TCS and Ryan Goodsell from Condobolin HS.

On the first day, the boys played two T20 games. The first game was against Hunter and after a slow start with the bat Western posted a total of 116, of which Harry made 36 runs from 36 balls and was caught out in the second last over going for a big hit trying to move the score along. Hunter also had a slow start but then started to pile on the runs. They chased Western's total down with two overs to spare.

The second game was also a T20, this time against Sydney East. Harry won the toss and sent Sydney East in for a bat, which proved to be an excellent decision. Some sharp fielding saw the two opening batters out, with hardly a run between them, sent on their way with great throws resulting in direct hits to the stumps. Good all-round fielding saw the 20 overs done with a total of 7/118. In reply, Western lost an early wicket, and then set about chasing the total down. Harry and Cooper Giddings hit balls to all corners of the ground to make a partnership of 75, not out, Harry making 36 not out, from 30 balls. The boys won the game with two overs to spare, a direct reversal of the morning game.

On the second day, Western played Riverina in a 50 over game. Riverina won the toss and batted first, making a respectable 10/245. Harry had a bad day with the bat, chopping the ball onto the stumps very early on. However, some of the other boys stepped up with the bat and put on a fine batting display, smashing the ball around the ground to chase down the runs in the 42nd over, with only four wickets down.

The third day's games were played for placings. Western was in the semi-final, coming in at fourth place. Western played against Hunter again, who had placed first. Harry won the toss and sent Hunter in to bat. Hunter partook in a run fest and made 4/300 from the 50 overs. In reply, runs eluded everyone for Western and they were bowled out for 77 in the 26th over. This allowed the boys to go to the Golf simulator for the afternoon, where they all had a good time playing golf.

On Thursday, Western played off for 3rd and 4th spot against Sydney West. As everyone was playing a team of equal ranking, all the final days score were extremely low. Western batted first and were off to a very slow start before Harry came in and then he and Hugh Taylor put on a 68 run partnership before Hugh was run out, after batting beautifully. This upset the apple cart, as everyone to follow was not very successful with the bat. Harry played an excellent innings and was eventually LBW for 57. His wicket was taken by the leading wicket taker for the carnival, so no shame there. Western were bowled out for 136.

In the end, Western finished in 4th place, behind Hunter, South Coast and Sydney West. Harry had a good time while away, catching up with mates that he has played with, and against, in cricket further afield.

NSWCHS selected two teams to go to the All Schools carnival in February 2024 at Maitland. They will play against a team from the Catholic system, CCC, and the Independent Schools, CIS, to select a NSW team to complete later in the season. We congratulate Harry on his NSWCHS selection and wish him all the best in Maitland in 2024.

Western boys who were selected in the NSWCHS team:
Hugh Taylor, Tim Berry (Western coach), Harry Roscarel.

Empathy in 7/8

During our empathy lessons, students in 7/8 completed a lesson on 'Walking a mile in our shoes.'

They each designed their favourite shoe and filled it with words that reflected their interests and personal stories.

They also completed a role-playing lesson, where they were provided with two perspectives from a scenario. They had to create and perform two scripts, one where the characters showed no empathy and a second where they had displayed empathy.

UCS SRC Fundraiser

Tickets can be purchased at
Ungarie Central School,
UCS Performance Night and
UCS Presentation Evening.

\$2.00 per ticket or
3 tickets for \$5.00.

Drawn:
Tuesday 12th December
@ UCS Presentation Evening

Amazing prizes donated by local Ungarie and West Wyalong businesses

Student ready devices direct from
HP at discounted Prices

BYOD Program

Buying directly from HP ensures your child has the right device and support to work in the school environment. Importantly, it guarantees the latest learning devices at affordable pricing. All devices have been selected to meet the schools minimum device requirements.

How Do I Purchase?

The easiest way is to purchase online at www.hp.com.au/byod and use your school code. You can also purchase via the HP Call Centre 1300 725 017 (Mon - Fri 9am - 8pm AEST)

Payment Options?

- Pay with Visa, Mastercard, American Express, PayPal, G Pay, Apple Pay
- Latitude Pay Finance Interest Free for 24 or 36 months contact for more information

What is Accidental Damage Protection (ADP)?

ADP covers the device against accidental drops, spills or damage. Zero excess for three major claims over 3 years. Eg if a student were to drop their device and crack a screen we will come to site to repair at \$0 excess including parts and labour.

IMPORTANT UPDATE REGARDING THE SALE OF ADD-ON INSURANCES !!!

The Australian Securities and Investments Commission has introduced new regulations regarding the sale of add-on insurance products. These regulations now require a 4 day 'pause' between the purchase of a device and any add-on insurance associated with that device. We are still more than happy to assist you to purchase once that time has lapsed.

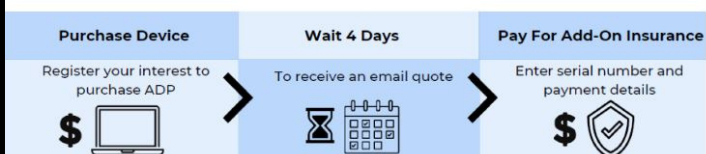

BE SURE TO CLICK YOUR INTEREST and we will contact you.

For any assistance please call
