

**Term 2****Week 2****4 May 2023****From the Principal's desk ...**

Welcome to Week 2!

Miss Morgan and Mrs James are in Melbourne for a week of intensive professional learning. The Yoshimoto Orton-Gillingham approach prepares educators to successfully provide reading instruction to all students and targeted instruction to struggling readers including those who have dyslexia. We look forward to implementing this approach at school on their return.

Hugh Williams is currently in Sydney competing at the NSWCHSSA Swimming Championships. This is Hugh's final year of representing Western Area at a state swimming carnival after a huge 8 years. Well done Hugh!

Good luck to our Year 10-11 boys who are playing AFL at the Senior Schools Cup in Griffith. Our students don't have many opportunities to compete in team sports once they are in high school due to lower numbers. We were fortunate to be able to combine with Tullibigeal CS and West Wyalong HS to form a team this year.

Good luck also to Tyler Crofts who is playing at the NSWCHSSA - Secondary Australian Football - Boys Championships in Albury from next Tuesday to Thursday.

We have our Parent Teacher Interviews on Monday afternoon. There are very low numbers of parents who have made appointments which is disappointing. These interviews give you an opportunity to ask questions about your child's learning and also allow teachers to talk about ways in which students can move their learning forward. Please contact the school office to make an appointment. We'd love to see you all here!

Until next week
Terrie Payne

**Spotlight****Attendance**

Last term I sent out attendance letters to students whose attendance was at 89%, just below our 90% target. I'm proud to say that every one of those students finished the term with an attendance rate above 90%.

Well Done!**Principal:** Mrs Terrie Payne

'HUMBUG HIGH FIVE' AND SPORTS AWARD RECIPIENTS FOR WEEK 1

POSITIVE BEHAVIOUR FOR LEARNING (PBL) PRIZE DRAW

Week 11 and 1 'Fast and Free' PBL draw. Congratulations to Jolene Hale, Hannah Jenkins, Samantha Spencer, Alex Jackson and Harry Roscarel on receiving their prizes. Jolene then spun the 'prize wheel' to win lunch provided for Kinder/1/2 and Alex won morning tea provided for Yr 7/8.

SCHOOL HAPPENINGS

After lunch on the last day of Term 1 an Easter Egg Hunt was organised for the students. They had to find paper eggs hidden throughout the playground and then trade these for real Easter eggs. It was a fun way to end a busy term.

There was lots of action throughout the school over the holidays. New flooring was laid in the Computer, Science and Food Technology rooms and the Secondary Staffroom and the kitchen was removed awaiting refurbishment in the next few weeks (hopefully)!

ANZAC DAY

We remember Anzac Day.

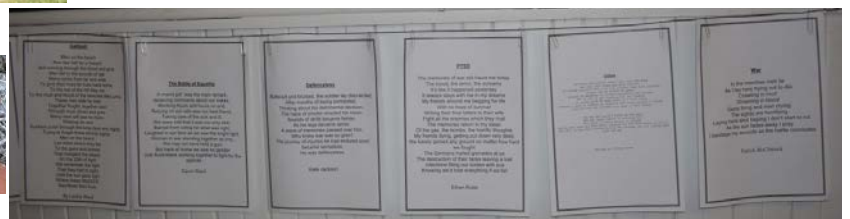

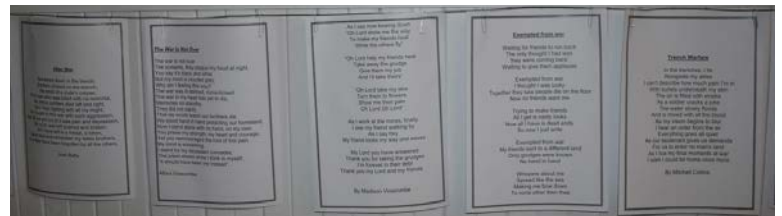

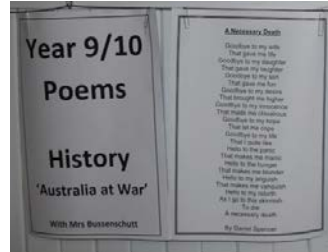

Numerous members of the UCS community supported the ANZAC Day Commemoration Service in Ungarie. School Captains, Hugh Williams, Jack Douglas and Caleb Protheroe recited prayers during the service, laid wreaths and assisted with the collection. Students Archer Hale, Claudia Protheroe, Sam McClintock, Thompson Rossiter, Samantha Spencer and Taylah Ward read poetry they had completed at school. Ms Morgan, Shay-Lee Crofts, Samantha Spencer, Ruby and Tahlia McKay and Caleb Protheroe played in the community band with Mrs Mason. Student's art work and poetry was displayed at the Ungarie War Memorial Hall.

Lest we forget.

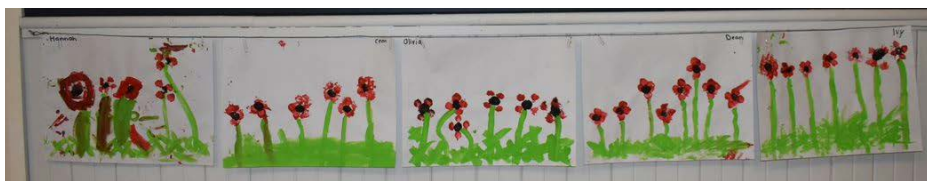

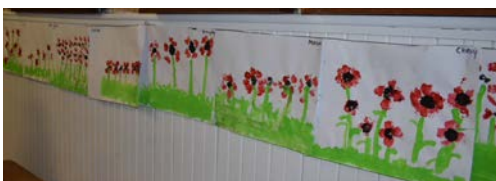

We remember heroes and what they gave for our tomorrow.

ANZAC DAY 'REG RATTEY VC AWARD'

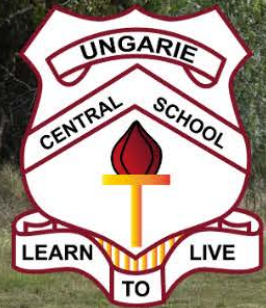

Congratulations to Daniel Spencer on receiving the 'Reg Rattey VC Award' for 2023. This award is presented annually to a UCS student who demonstrates resilience, the ability to rise amongst a situation of adversity, determination and courage. All of which are qualities that Reg Rattey demonstrated through this life and during his campaign at Bougainville. Daniel is pictured with Rob Rattey presenting the award on behalf of his family and wearing his father's medals including the VC. The citation read:

This year the award goes to a student who has increased his confidence in all aspects of his schooling. He is now a social member of our school community, whose quirky sense of humour, and willingness to contribute to class discussion and performances is appreciated by all. His improved maturity has allowed him to communicate more effectively with the school community and has seen him improve academically across all subject areas. Congratulations to Daniel Spencer.

THE RESILIENCE PROJECT™

Term 2 Week 2: Resilience in 3/4

3/4 have been exploring mindfulness by focusing attention on one thing, appreciating that thing, and being observant about the details. They found a space to sit in the outdoor learning centre and journaled what they could see, think and feel when facing the left for five minutes, then repeated the process when facing the right.

Mindfulness is the practice of attention regulation. It involves three aspects: Where is our attention? Prioritise where it needs to be. Make it go there and stay there.

Gratitude

Paying attention to what I have.

Mindfulness

Being calm and present at any given moment.

Empathy

Understanding how other people feel.

Emotional Literacy

Labelling my emotions.
