

Our students and staff have been working tirelessly to prepare for the UCS Art Trail next Tuesday. There will be a range of displays across the school, including a new garden that the Year 5/6 Leadership group have been working on. We also have Sarah Levett, a proud Wiradjuri and Gundungurra woman from Harden and Mittagong, at school from Monday to Wednesday next week. Sarah is an artist whose artwork is inspired by travel and nature. Sarah will work alongside our students to paint a design on our cubby and in the secondary quad. We're so excited for you to see the works in progress as you walk around the Art Trail on Tuesday afternoon.

There have been changes to the number of School Development Days for 2025. Students will not return to school in Term One until Thursday, 13th February. With such a late start to the term, I would discourage families from taking an extra week of holidays in the week after students return to school.

We were the lucky winners of a competition run by the Murrumbidgee Local Health District. We participated in the Live Life Well at School Athletics Games during the Paris 2024 Olympics. We were one of four schools randomly selected to win a \$150 voucher from Kmart.

The boys who played in the Central Schools Rugby League 7s earlier in the year have an exciting opportunity to attend the Martin Cup in West Wyalong tomorrow. They'll take part in a meet and greet with Panthers star Liam Martin and watch West Wyalong HS take on Temora HS in some games.

Our Year 5 and Year 11 students who have nominated for the 2025 school captains role will be giving their speeches at our Friday morning assembly in Week 5. After discussions with the SRC, voting will be different this year, with K-5 students voting for our Year 6 captains and Year 6-11 voting for our senior captains.

Until next week,  
Terrie Payne  
Principal
