

This week, we have been busy with our Transition programs. Our Little Humbugs completed their second full day at school on Tuesday, with one more day scheduled for next Tuesday before they officially start school in 2025.

Yesterday was particularly busy, as students in Years 6 to 9 moved up a year for their transition. Years 6/7 and 8/9 enjoyed a full day together, engaging in a variety of tasks and activities. Additionally, Year 10 students from across the LAP program joined our Year 10 students for a LAP Transition day. Although all students felt nervous about meeting new people, by the end of the day, each of them had made friends with at least one other student from Tullibigeal CS, Lake Cargelligo CS, and Condobolin HS.

Last Friday, our nominated Year 5 and Year 11 students delivered their captain's speeches. Selecting school captains is always a challenging decision, as many of our students demonstrate strong leadership capabilities. In addition, our students are preparing speeches for the 2025 SRC elections. The 2025 School Captains and SRC representatives will be announced at our Presentation Evening.

Students in Years 6 to 11 will participate in a Police talk this Friday with the Youth Engagement Officer from Griffith. Years 6 and 7 will focus on Cyber Safety, while students in Years 8 to 11 will attend a presentation on Respectful Relationships.

Yesterday, we distributed a link to a parent survey. For our survey data to be meaningful, we need as many people as possible to complete it. Please ensure you submit your responses by next Friday, November 29th.

Lastly, please remember to send a water bottle with your child each day. We have a cold water bubbler available for refilling water bottles throughout the day.

Until next week,
Terrie Payne

Stage 5 Food Technology

'FREAK SHAKES'

Stage 5 Food Technology are completing a unit on 'Food Product Development'. As a part of the unit they were each given a food brand and a movie, then asked to design and prepare a 'Freak Shake' to match the food brand and movie. Students enjoyed coming up with ideas, and they especially enjoyed tasting the 'Freak Shakes'

Stage 5 Industrial Technology: Timber TURNED ICE CREAM SCOOPS

This term, Stage 5 Timber students have been learning about turning between centres on the lathe. They each had to design a handle for an ice-cream scoop, work together as a class to plan each students time on the lathe and then transfer learnt skills into a finished handle.

GRANDPARENTS & GRANDFRIENDS DAY

On Thursday, 14th November 2024, we welcomed our Grandparents and Grandfriends to enjoy some performances by K-6 students. Our visitors were entertained by K-2 performing two dances to 'The Good Times' and 'The Cha Cha Slide', Year 3/4 students' ukelele performance of 'Count on Me', and the Year 5 /6 band's performance of 'Mystery Island'. Afterwards, our grandparents and grandfriends enjoyed a light lunch catered for by our students and UCS Yum. To finish up the day, our visitors joined us in our classrooms for some activities.
