

From the Principal's desk ...

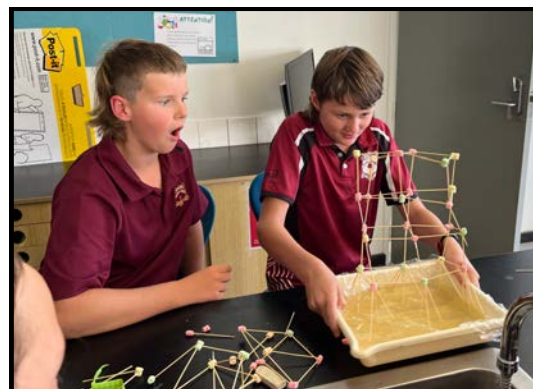

Can you believe it's already the end of another term? Time sure flies when you have a busy term filled with learning and extracurricular activities.

We held our K-10 parent-teacher interviews on Monday afternoon, with quite a good uptake from parents. The Sentral booking system did have some glitches which we will fix next semester. For those few parents who attended the Year 11/12 meetings on Wednesday, meeting with teachers from UCS and coordinating teachers from other schools worked well. It would be great to see more parents access these meetings next time they're offered.

Well done to our Year 11/12 boys who joined with students from Tullibigeal CS and West Wyalong HS to play football in the MIA cup on Tuesday. They won 2 out of 4, and went down in one game by 1 point! Our primary tennis team played Wyalong PS on Tuesday. Most games were extremely close, with Wyalong PS coming away with the win. Great effort from all!

It was fantastic to see so many students running in our Cross Country yesterday. It was also nice to hear the cheering from our students at the finish line. Congratulations!

Have a great break!
Terrie Payne

Spotlight

A huge shoutout to Year 2 who had the highest attendance rate for Term 1 across the school - 96.91%

Year 1 were a close 2nd with 94.36%

Year 9 had the highest attendance rate in secondary with 90%

Well done!

Principal: Mrs Terrie Payne

Ungarie Central School
is seeking a casual

General Assistant/Farm Assistant

The GA/FA is responsible for the maintenance of school grounds, and assisting with the school ag plot as directed by the agriculture teacher.

A current employee WWCC is required.

If you are interested in becoming a casual GA/FA please send your resume to ungarie-c.school@det.nsw.edu.au

For more information please contact the school office on 02 6975 9030

'HUMBUG HIGH FIVE' AND SPORTS AWARD RECIPIENTS FOR WEEK 10

ATTENDANCE DRAW 95+%

Winners for Week 9 and 10, 95% and above attendance draw were Asher Chantrill, Ruby Hall, Ethan Robb and Harry Roscarel.

SCHOOL HAPPENINGS

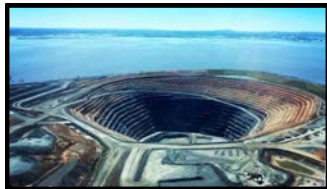

Recently Yr 5/6 enjoyed morning tea provided after Riley Mulqueeney won this prize on the PBL wheel. Ryan Kelly had previously won lunch provided for Yr 11/12.

The PBL Barrel of 'Fast n Free' tickets reached Tier 1 during Week 10. All students enjoyed a free icecream as the reward for this level. Thanks to Yr 9 boys for helping serve these.

Evolution
MINING
Cowel Gold Operation

Year 12 students, Harry Roscarel, Reuben West, Ryan Kelly and Bailey Margery along with Mr Pip Cattle attended the Lake Cowal Evolution Schools Mine Visit on Monday 8th April. This visit included a tour of the mine, a visit to the Lake Cowal Conservation Centre to showcase how the environment and mine coexist successfully and a careers talk. Thanks to Evolution Mining for this great opportunity for our students.

SCHOOL HAPPENINGS

Congratulations to Thompson Rossiter and Lincon Bryant who were selected from trial games in Parkes on Friday 22nd March as players in the PSSA Western AFL team. The team will play at the NSW PSSA AFL Carnival in Albury from 22nd-24th May.

Sam McClintock trialed for PSSA Western Rugby League in Parkes on Monday 8th April. While unsuccessful in selection he had a great day. Good on you Sam!

As part of Stage 5 Careers, students will be volunteering their time throughout the community. On Wednesday 10th April, they volunteered at the Ungarie War Memorial Hall, assisting with the set up for ANZAC Day. The students are looking forward to giving back to the community throughout the year.

STAGE 5 FOOD TECHNOLOGY

During Food Technology this Term, students have been learning about food selection and health. They have spent time learning about the nutrients and their uses, the digestive system, food consumption patterns and dietary disorders from under and overnutrition. While learning about healthy food choices students participated in a range of practical lessons that allowed them to learn new skills while cooking healthy food alternatives. Some of the foods cooked included; buddha bowls, rainbow rice paper rolls, zucchini Singapore noodles and grasshopper slice. Students are looking forward to using the newly renovated Food Technology room next term.

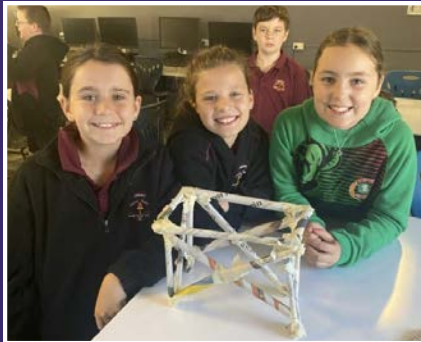

K/1/2 STEM

In STEM this Term, Kindergarten have been learning about how to program Blue Bots and move them around a grid map. Year 1 / 2 have been learning to produce and save word documents with pictures on a computer.

YR 5/6 STEM

Year 5/6 STEM have been making tables from eight pieces of newspaper and masking tape. They first made a table with only basic instructions and tested them to see how much they would hold. Not much! After class discussion about what added strength to construction, students went back and designed new tables which were much more successful. After they had built them, students did a plus and minus for each design and voted on which table they thought would be the strongest. All held 1kg, some 2kg and Isla, Claudia and Ruby's table held 6kg. Wow!

Stage 4 Technology Mandatory

During Technology Mandatory in Term 1, students have been working through the design process to design and construct an LED night light. Once the students had undertaken research they designed their bases and acrylic tops. Students learnt about safety in the workshop and the correct way to use a range of timber hand tools to construct their bases.

The computer program Beam Studio was used to design the top acrylic piece before outsourcing it to be cut and engraved on a laser cutter. Students had to carefully follow instructions to solder USB cords to their LED strip, thankfully everyone got their light strips working.

The end results are fantastic!

SRC MOTHER'S DAY FUNDRAISER

We have a range of amazing gifts.

Gifts will be sold in the library at lunchtime on Thursday of Weeks 1 and 2 next term.

Gifts under \$10 and under \$20.

CASH ONLY

**Gifts will not leave the school wrapped.
Gift bags will be available for \$1 **
