

## Reward Day Excursion

It was very quiet at school today, as our students and staff enjoyed a day out in Wagga for Reward Day. With a variety of activities planned—including visits to the Botanical Gardens, the zoo, playground fun, Vortex, and bowling—there's something for everyone to enjoy! Thank you to Mrs Jackson for organising such an amazing day for our students.

## School Captains Meet the Governor of NSW

On Tuesday, our School Captains, Ethan and Gavin, along with other LAP School Captains, travelled to Sydney to participate in a Leadership Day. They joined student leaders from across NSW at the NSW Parliament, where they had the opportunity to meet Members of Parliament and observe Question Time. Following this, they visited Government House for a tour and listened to an address by Her Excellency, The Honourable Margaret Beazley. It was a fantastic experience for our captains. After a very windy day in Sydney, which led to the closure of most runways at the airport, they arrived home safely very late last night. Thank you to Miss Parkinson for accompanying our students on this excursion. Our students represented our school proudly!

## Exciting New Project

As part of our cultural lessons, students and staff are collaborating to design artwork for new totem poles. Each year group will have their own dedicated pole, along with one for staff and another for our community. More information will be shared next term about how our community can get involved in this exciting project!

## Girls and Boys Wellbeing Day

We're excited to announce that we have The Man Cave coming back towards the end of next term. This time they'll come for two days, working with Year 5/6 boys and Year 7-12 boys on separate days. We're also in the process of organising 'Bloom from Within' to come out and work with our Year 5-12 girls.

Until next week,  
Terrie Payne

This term, Year 5/6 have been building teamwork skills through activities which required all team members to work together to achieve a common goal.

Walking Planks (pictured above) require perfect timing and movement combined with clear communication skills to move forwards as a team. After a few false starts and remembering their left and right, all 3 teams were able to move quickly across the playground. Turning a corner required a new set of movements, but all teams managed this challenge through discussion, trial, error and persistence.

Stacking the Blocks (pictured below) required each team member to hold a piece of rope to manoeuvre a wooden board with a hook to pick up a number of blocks, move them and stack them on top of each other. Again, clear and concise communication teamed with resilience, patience and slow, careful movements were required to hook the blocks to stack them without the blocks falling over.

Both teams were successful in stacking and unstacking all 4 blocks.

Well done to all students for persevering with the challenges, working together, communicating and discussing the best methods to complete the tasks. 'Teamwork makes the dream work' was the students quote at the end of the challenges!

# UCS SRC PRESENTS TEAM COLOURS DAY

On Wednesday 18<sup>th</sup> June, Mrs Protheroe and the SRC students hosted Team Colours Day. Students were encouraged to wear the colours of their favourite team which resulted in a magnificent rainbow of teams from NRL, NBA, AFL, FIFA and even F1!

Students had the opportunity to purchase some delicious goodies baked by members of the SRC at lunch, to raise money. After lunch, students were split into teams to participate in games and team-building activities, which included, egg and spoon races, longest footy kick, most netball goals and sack races. In the final 10 minutes of the session, Primary students watched on as Secondary competed in a tug-o-war battle, which was very exciting!

The students will be able to choose how the SRC use the money raised.

# End of Term 2 Assembly

On Thursday 19<sup>th</sup> June, we welcomed parents and loved ones to our end of term assembly.

Kinder, Years 1 and 2 wowed the crowd with their musical performances on the boomwhackers, playing 'Bingo' and 'Pirates of The Carribean'. Year 3/4 STEM students demonstrated their Hot Potato game developed with Microbits. Students who attended CWA Public Speaking in Parkes presented thier speeches, with passion and fun. Finally, Stage 4 and 5 English students threw Shakespearean insults at one another, fighting to the final cheer, declaring Chelsey Spencer the winner.

# SCHOOL'S CUP NETBALL

On Monday June 23rd, 16 enthusiastic netballers from Years 7-10 travelled to Griffith to participate in the mixed competition at the Schools Cup Netball competition. While the whole group had been honing their netball skills during recess and lunch over the last few weeks, it was initially planned for only the girls to compete. However, at the eleventh hour, the boys were called upon to step up to the plate. Without their participation, the girls would have been sidelined, so a big thank you to all for showing such great team spirit and consideration for your fellow teammates!

A special shout-out goes to Jackson Protheroe for displaying outstanding sportsmanship by playing with Aria Park Central when they were short on players.

Our students not only showcased their skills but also exemplified great sportsmanship throughout the day. A huge thank you to Mrs Justine Henley and Mr Pip Cattle for their fantastic umpiring, and to Miss Imrie for ensuring everyone was enrolled in time to enter two mixed teams into the competition on such short notice.
